About The College

Last updated: August 15, 2022

The Christ College of Nursing and Health Sciences, affiliated with The Christ Hospital Health Network for over a century, is a regionally accredited, private institution of higher learning. Dedicated to delivering the highest quality healthcare education, TCCNHS graduates have the knowledge and skills they need to make a difference. We educate tomorrow's healthcare leaders.

History - Vision - Mission

History

The Christ Hospital School of Nursing, predecessor to The Christ College of Nursing and Health Sciences, was born in a tradition of caring. In 1888, a group of local citizens, led by soap maker James N. Gamble, invited Ms. Isabella Thoburn to come to Cincinnati. Their expectation was that she would start a program to train deaconesses and missionaries to carry on religious, educational, and philanthropic work to alleviate

the appalling poverty that existed in the city. They could not have imagined the impact their invitation would have on our city, then and more than a century later.

Miss Thoburn arrived in late 1888 and found that the Gamble family had provided a house and funds to begin her work. The endeavor was named The Elizabeth Gamble Deaconess Home Association in honor of Mrs. James Gamble, who had dedicated her life to serving the needy of the city. On that storied day when Ms. Thoburn found a sick woman crying on the street because she had cancer and could not get medical care, the plan of the deaconesses expanded beyond running a soup kitchen and ministering in tenement homes. They opened a ten-bed hospital, named Christ's Hospital.

Between 1889 and 1901, the Association trained only deaconesses as nurses, but they soon recognized the need for enrolling other qualified young women. By 1901, young women were accepted for training as nurses whether or not they intended to become deaconesses. This paved the way for the formation of The Christ Hospital School of Nursing in 1902. Since its inception, The Christ Hospital School of Nursing has grown both in size and sophistication to meet the changing healthcare needs within the Greater Cincinnati region and the tri-state (Ohio-Indiana-Kentucky).

The Christ College of Nursing and Health Sciences, established in 2006, offers programs designed to prepare graduates to work in a broad array of healthcare settings. Discipline-specific studies, grounded in the arts and sciences provide students with the opportunity to develop the necessary skills and competencies to transition into their chosen profession. The College continues in the pursuit of excellence in education which has been at the core of the institution's mission and history and is aptly stated in its unchanging motto - Summo Commisso Missi, On Highest Mission Sent.

Vision

The Christ College of Nursing and Health Sciences will be an innovative institution of higher learning providing a distinctive curriculum in nursing and health sciences.

Mission

The Christ College of Nursing and Health Sciences, guided by its core values and enriched by a foundation in the Arts and Sciences, prepares individuals both for delivery of healthcare that promotes the well-being of a dynamic society and for life-long learning.

Values and Goals

Core Values

- **Caring:** to have respect for every human being and concern for the preservation of human dignity; to

accept the diversity of cultures and origins characterizing the global community.

- **Collaboration:** to work cooperatively; to achieve common goals.
- **Integrity:** to be honest, fair, trustworthy, and genuine; to conduct oneself ethically, legally, and professionally.
- **Excellence:** to function at the highest level of performance; to demonstrate commitment to quality outcomes and continuous improvement through evidence-based practice.

Goals

To make its vision a reality and to accomplish its mission The Christ College of Nursing and Health Sciences promises to:

- Provide a collaborative learning environment that addresses the individual needs of a diverse student population.
- Integrate knowledge from the Arts and Sciences and discipline-specific studies to establish a foundation for life-long learning.
- Employ faculty who demonstrate excellence in education through quality instruction, community service, and scholarly endeavors.
- Provide an educational experience grounded in the institution's core values that prepares graduates to participate responsibly in a dynamic, diverse society.
- Provide curricular offerings relevant to current market demands and healthcare needs.
- Ensure academic excellence through on-going assessment and evaluation.

Institutional Learning Outcomes

As a result of their educational experiences at The Christ College of Nursing and Health Sciences, students will:

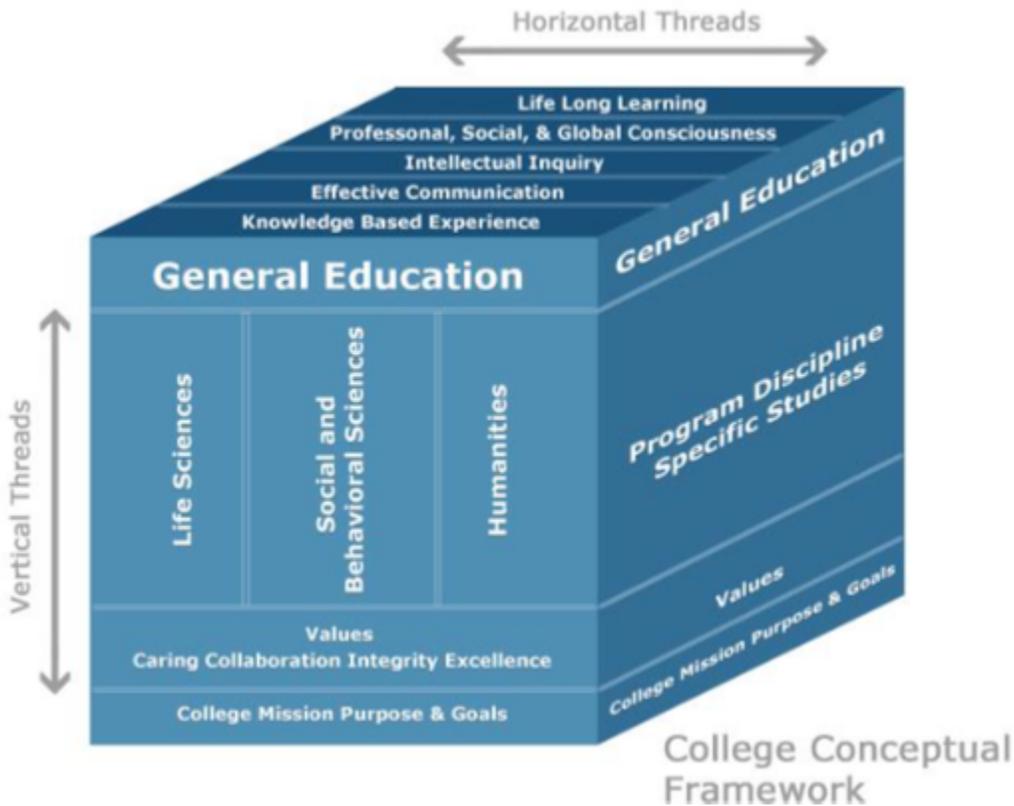

- Apply an expanded knowledge base within one's chosen profession with the disposition to engage in life-long learning.
- Demonstrate responsible engagement with social-political-cultural issues of local, regional, or global significance.
- Demonstrate academic and professional competency in written and oral communication.
- Demonstrate academic and professional competency within the sciences.
- Engage in intellectual inquiry and critical thinking by identifying assumptions, making inferences, marshaling evidence, and giving a coherent account of reasoning.

Student learning outcomes are also clearly stated for the academic programs that are offered at the college.

Students should refer to the program handbook for their respective degree program.

College Conceptual Framework

The curriculum provides an integrated approach to holistic learning that prepares students to enter the health professions, the community, and the world as competent, well-rounded, critically thinking individuals. The following diagram depicts the College's conceptual framework.

Currently, the College offers a pre-licensure Bachelor of Science in Nursing (BSN), Accelerated Bachelor of Science in Nursing (ABSN, Registered Nurse to Bachelor of Science in Nursing (RN-BSN) completion program, Associate of Science in General Studies, Associate of Applied Science in Medical Assisting, Medical Assisting Certificate, and a Bachelor of Science in Healthcare Administration. The academic departments work together to support the overall mission and goals of the College while creating a well-rounded academic experience for students, faculty, and staff.

Supported by a foundation in the arts and sciences and discipline-related studies the College's conceptual framework is rooted in its mission, purpose, goals, and values.

Student Functional Abilities

Updated 12-23-19

Student functional abilities are combinations of cognitive, behavioral/social, and physical abilities required to acquire the knowledge and skills needed for the roles associated with the College's program(s). In addition to being essential to the successful completion of the requirements of a degree, these skills and functions are necessary to ensure the health and safety of patients, students, faculty, and other health care providers. Qualified applicants are expected to meet all admissions criteria and matriculating students are expected to meet all progression criteria, as well as these technical standards.

Because curricula leading to healthcare related degrees at The Christ College of Nursing and Health Sciences (TCCNHS) require students to engage in diverse and complex experiences, the College has identified specified student functional abilities critical to the success of students. Variations of these functions may be addressed in program or course specific information. If the capacity to perform these student functional abilities with or without reasonable accommodations results in the inability to meet student learning outcomes, the student may be at risk of not successfully completing the course and/or program.

Program Specific Student Functional Abilities*

- [Pre-licensure Nursing Programs \(BSN/ABSN\)](#)
- [Health Care Administration](#)
- [Medical Assisting](#)

**The information above is intended as guidance and not as hard rules. Accommodation requests by students, even those related to student functional abilities, will be analyzed and determined on a case-by-case basis, and such accommodations will be granted when the College determines it is reasonable to do so.*

College Organizational Structure

Updated 8-24-2020

The Christ College of Nursing and Health Sciences is a non-profit corporation. The affiliate hospital, The Christ Hospital, is the Sole Member of TCCNHS. The oversight for all institutional, business, and academic practices emanates from TCCNHS' Board of Directors. The President of the College reports directly to the Board and serves as the Chief Executive Officer of the institution.

An organizational chart can be found [here](#).

Board of Directors

- Mrs. Yvonne G. Washington, Hon D Hum L, Chair
- Dr. James S. Wendel, Vice Chair, Mt. Auburn Women's Center, TCHHN Affiliate

- Mr. Raymond Mock, Secretary
- Dr. Thomas M. Broderick, TCHHN Affiliate
- Mrs. Victoria B. Gluckman, Hon D Hum
- Mrs. Susan D. Gilster, Ph.D., R.N., The Gilster Group, LLC
- Mrs. Cathy M. Hamblen, B.S.N., R.N.
- Mr. Roderick D. Hinton, M.S., Vice President of Advancement, The Children's Home of Cincinnati
- Mrs. Moira Weir, CEO, United Way of Greater Cincinnati
- Gail E. Kist-Kline, Ph.D., President, TCCNHS (Ex-Officio)
- Theodore M. Scherpenberg, Chief Financial Officer TCHHN (Ex-Officio)
- Julie A. Holt, Vice President, Chief Nursing Officer, TCHHN (Ex-Officio)

Compliance

Civil Rights Compliance

Updated 10/8/20

Qualified applicants will be considered for admission to The Christ College of Nursing and Health Sciences without regard to race, color, creed, national origin, citizenship, religion, ethnicity, age, gender, gender identity, genetics, marital status, sex, pregnancy, sexual orientation, military or veteran status, disability, or any other status protected by federal, state, or local law (collectively, “protected statuses”).

Non-Discrimination Statement

Updated 7/27/2016, 10/19/2016; 12/13/2017

The Christ College of Nursing and Health Sciences is committed to a policy of non-discrimination on the basis of race, color, creed, national origin, citizenship, religion, ethnicity, age, gender, gender identity, genetics, marital status, sex, pregnancy, sexual orientation, military or veteran status, disability, or any other status protected by federal, state, or local law (collectively, “protected statuses”) in the administration of its educational, recruitment, and admissions policies; scholarship and loan programs; or other College-administered programs. All institutional processes and policies are in compliance with applicable federal, state, and local laws and regulations related to discrimination.

Please click here to visit the [Compliance Bridge Policy Portal](#) and search Non-Discrimination Statement.

The following people have been designated to handle specific inquiries regarding specific non-discrimination policies:

For inquiries related to disabilities, contact:

*Student Success Center Coordinator, Main College Building Office B18. (513) 585-4144.
Brittany.York@thechristcollege.edu.*

For inquiries related to Title IX/Sexual Assault and all other discrimination contact:

Anita Frazier, Director of Diversity, Equity and Inclusion/Deputy Title IX Coordinator. Office: Medical Office Building Office 101. (513) 585-0180

Inquiries regarding Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975 can also be made to the United States Department of Education's Office for Civil Rights (OCR). OCR can be contacted by visiting <http://www2.ed.gov/about/offices/list/ocr/index.html> or by calling 1-800-421-3481.

Anita.Frazier@TheChristCollege.edu

Disability Compliance

The Christ College of Nursing and Health Sciences, in compliance with Section 504 of the Rehabilitation Act of 1973, does not restrict admission of any individual solely by reason of his or her disability.

Right of Privacy

For information pertaining to students' rights to privacy, please refer to the [Compliance Bridge Policy Portal](#) and search Family Educational Rights and Privacy Act.

Accreditation

Updated 8-24-20

The Christ College of Nursing and Health Sciences is accredited, approved, and authorized by several agencies and organizations. Below is a listing of these agencies and organizations. Please visit the College's website <https://www.thechristcollege.edu/accreditations> for full verification.

Authorizations and Approvals

Authorized by the Ohio Department of Higher Education to award the Associate of Applied Science, Medical Assisting; Associate of Science, General Studies; Bachelor of Science, Nursing; and Bachelor of Science, Health Care Administration.

Approved by the Ohio Board of Nursing to conduct nursing education programs leading to initial licensure to practice nursing as a Registered Nurse.

Approved by the State Approving Agency for Veterans' Training.

Institutional Accreditation

TCC is regionally accredited by The Higher Learning Commission of the North Central Association of

Colleges and Schools (HLC).

Commission on Collegiate Nursing Education

The Baccalaureate Degree Program in Nursing at The Christ College of Nursing and Health Sciences is accredited by the Commission on Collegiate Nursing Education (CCNE).

Documents describing or related to the above-stated accreditations, approvals, and authorizations are available for review by contacting the Associate Dean, Institutional Effectiveness at 513-585-1451.

Library Services

Vision

The James N. Gamble Library will connect people to the most relevant knowledge-based information.

Mission

The James N. Gamble Library will provide members of The Christ Hospital Health Network community with timely, authoritative and accurate library and information services to advance excellence in education, research, and patient care.

- Circulating book and journal collection
- Article reprints via e-mail, fax, interdepartmental mail, or pick-up at Library
- ILL services for books and journal articles not in the Library's collection
- Bibliographic literature search services
- Table of contents surveys
- Reference assistance
- Training on subscription search databases and electronic resources
- Assistance with creating online journal clubs

Bookstore

Books for The Christ College can be easily purchased at Joseph-Beth Booksellers.

Location and Contact Information

2139 Auburn Avenue, Cincinnati Ohio 45219 (The Christ Hospital Gift Shop) Phone: 513-585-0868

For convenience and in compliance with regulatory standards, a book list is supplied for all courses with book titles and ISBN numbers prior to class registration each semester. TCC strongly recommends students shop through Joseph-Beth Booksellers. Students who shop through another vendor should be advised The Christ College cannot make any guarantees to assist in resolving issues with book orders.

If there are not enough available books at the bookstore or there is something incorrectly listed, students should contact their faculty or a Joseph-Beth Booksellers' Associate or Manager who can assist in resolving issues with book orders. Unresolved issues should be directed to the appropriate Associate Dean.

Financial Aid Book Voucher Policy

The College, together with Joseph-Beth Booksellers, has developed the following guidelines and procedures for students who wish to use their anticipated financial aid refund to purchase required and recommended books and supplies.

Eligible students may only receive a book voucher at the Financial Aid Office.

To be eligible for a College Book Voucher, a student must meet the following requirements:

1. Have a valid FAFSA on file with the College.
2. Have completed verification process with the financial aid office if applicable.
3. Have signed a master promissory note (MPN) for Direct Student Loans if applicable.
4. Have a completed financial aid file.
5. Be in good standing of Academic and Financial Aid SAP policies.
6. Have registered for a minimum of 6 credit hours.
7. Have financial aid in excess of tuition charges for the semester.

8. Have no outstanding balances owed to the College for the current or previous semesters.

Book Voucher Guidelines

1. Only one book voucher per student.
2. Book vouchers are only available for fall, spring and summer semesters.
3. Book vouchers expire at close of business on the final day of the 100% refund period.
4. No book vouchers will be given after the final day of the 100% refund period.
5. Can receive up to \$1000 in a book voucher depending on individual eligibility. A minimum of \$100 must be available in a pending refund to process a book voucher.
6. Students are not permitted to purchase books or supplies for other students.
7. Only required or recommended books and supplies for the currently enrolled semester will be permitted.
8. Book vouchers must be used at the Joseph-Beth at Christ Hospital store only to purchase required or recommended books and supplies.
9. At time of purchase, student must show Joseph-Beth Booksellers your College ID badge or photo ID.
10. Only the Director of Business Services or approved college designee is authorized to sign the TCCNHS Book Voucher Form.

Book Voucher Process

1. Book Voucher Forms are available at the Financial Aid Office beginning one week prior to the start of the semester or at designated dates as determined by TCCNHS in conjunction with Joseph-Beth.
2. Book voucher requests will not be processed by email or phone. Requests must be made in person at the Financial Aid Office.
3. A book and supplies fee will be charged to the student account for the amount invoiced by Joseph-Beth Booksellers.
4. The completed book voucher should be considered as cash and if a student misplaces the voucher or loses the voucher, another voucher will not be issued.
5. For your first purchase at Joseph-Beth at the Christ Hospital store, you will be required to give them your Financial Aid voucher. They will set up an account in your name and, in return, provide you with a Special Payment Card with the allotted financial aid loaded on the card. Each time you purchase, you will need to pay with this card. This is considered cash and if a student misplaces the Payment Card, another voucher will not be issued.
6. The Joseph-Beth Payment Card can only be used at Joseph-Beth at Christ Hospital and the student must present their College ID or photo ID at the time of purchase.
7. Joseph-Beth Booksellers will reconcile with TCCNHS approximately 30 days after the start of the

semesters. Approved book vouchers will expire the day after the 100% tuition refund schedule of the College.

Food Services

There are several dining venues available to students that are open throughout the day and evening.

- ****Bistro 1889-****Monday through Friday (Located in the Hospital; Closed on Holidays)
- ****Starbucks-****Monday through Sunday (Located in the Hospital)
- ****Vending Machines-****Vending machines with snacks and beverages in the Hospital and in the College's Student Lounge accessible 24-hours a day.

A refrigerator, microwave, and coffee machine are located in the College's Student Lounge.

Department of Health Sciences

Added 8-24-2020

The Department of Health Sciences has two Divisions, Allied Health and Arts and Sciences. The degrees offered within the department are an Associate of Science in General Studies, Associate of Applied Science in Medical Assisting, and Bachelor of Science in Health Care Administration.

Purpose

The purpose of the Health Sciences is to support the mission, vision, and values of The Christ College of Nursing and Health Sciences by providing a course of study with a foundation in the liberal arts and sciences. Students will acquire a fundamental understanding of the relationship between the person, environment, and health. The health science graduate will be a life-long learner who models ethical behavior, integrity, and excellence. Earning a health science degree from The Christ College of Nursing and Health Sciences, graduates will be equipped to participate in the healthcare arena as caring professionals

engaging in critical decision making, intellectual inquiry, and collaboration.

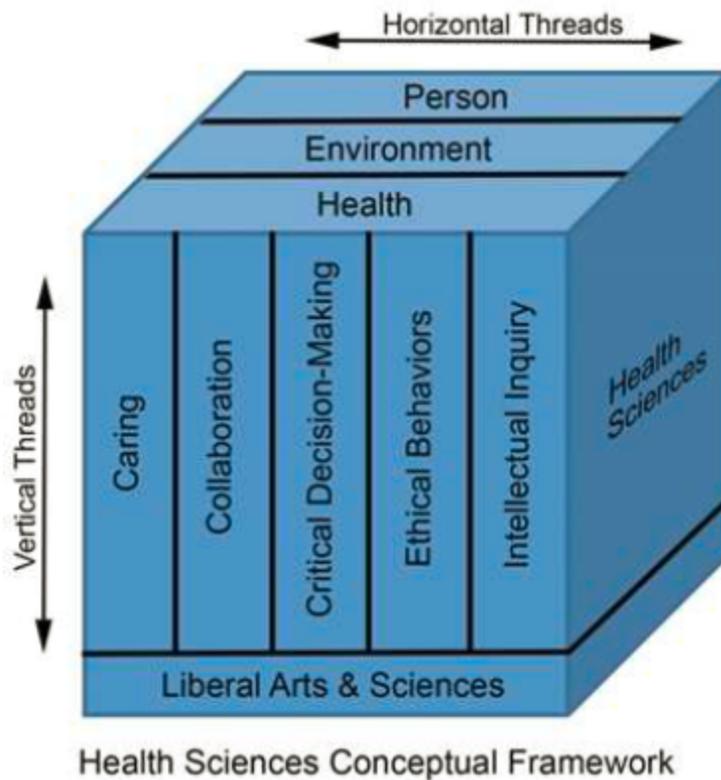

Philosophy

A person is a unique individual having intrinsic value. Each individual has diverse physical, emotional, social, developmental, and spiritual needs in varying degrees of fulfillment and deserves caring interventions. The person and environment are constantly interacting.

The environment includes all internal and external factors affecting and affected by the individual. A part of this dynamic environment is society, which consists of individuals, families, communities, and institutions. Any change in the environment may require varying degrees of adaptation. Health Sciences graduates engage in assessment of both the environment and people to identify opportunities to promote, maintain, or restore health.

Health is the dynamic process of balance and harmony within the person, including physical, mental, and social well-being. A person's state of health is influenced by personal, societal, and cultural variables and may be affected by prevention and treatment strategies.

Framework

Horizontal Threads for Health Sciences

For the Health Sciences, *person*, *environment*, and *health* constitute horizontal threads, which are those integrated concepts presented early, strengthened through repeated exposure and application, and woven throughout the curriculum for Health Science programs.

Vertical Threads for Health Sciences

Caring, **intellectual inquiry**, **ethical behavior**, **critical decision making**, and **collaboration** comprise the vertical threads. These concepts and skills are arranged to build upon one another in alignment with a general sequence of learning. Scaffolded through the curriculum for Health Science programs, vertical threads guide the student's progression toward proficiency.

Caring behaviors are nurturing, protective, compassionate, and person-centered. Caring creates an environment of hope and trust, where individual choices related to cultural values, beliefs, and lifestyle are respected.

Intellectual Inquiry is a persistent sense of curiosity that informs both learning and practice, which stimulates visionary thinking. Intellectual inquiry invites the exploration of possibilities, allowing for creativity and innovation.

Ethical Behaviors are characterized by conduct within legal, ethical, and regulatory frameworks; commitment to standards of professional practice; and accountability for one's own actions.

Critical Decision Making encompasses the performance of accurate assessments, the use of multiple methods to access information, and the analysis and integration of knowledge and information to formulate evidence-based conclusions.

Collaboration is working together with open professional communication to plan, make decisions, set goals, and implement strategies. Collaboration requires consideration of need, priorities and preferences, available resources, shared accountability, and mutual respect.

Division of Allied Health Programs

The Division of Allied Health serves to educate health care professionals in the Bachelor of Science in Health Care Administration (HCA) program. Specific concentration tracks have been developed to assist a student with degree completion utilizing prior education. The concentration tracks for degree completion include Medical Assistant to HCA; Paramedic to HCA; Community Paramedic to HCA; Registered Nurse to HCA; Licensed Practical Nurse to HCA; and BSN and BS in HCA dual degree.

The requirements for each degree program listed below are effective for those starting this degree program in fall 2016 through summer 2017. These requirements will remain in effect for students who do not break enrollment or who do not change degree programs.

Bachelor of Science in Health Care Administration

The Bachelor of Science in Healthcare Administration degree program provides a course of study that integrates concepts from liberal arts and sciences with a healthcare curriculum emphasizing academic excellence with opportunities for specialization. The promotion of critical decision-making skills, ethical behaviors, and intellectual inquiry along with a business focus prepares graduates with the foundational knowledge needed to enter a dynamic healthcare environment as collaborative, caring leaders. To assist in advocating for patients to achieve positive outcomes, graduates will possess a knowledge base of regulatory environments. The completion of the Bachelor of Science in Healthcare Administration degree program makes it possible for graduates to lead and manage healthcare staff and facilities.

Program Outcomes

1. Apply theoretical and empirical knowledge from the liberal arts and sciences and health sciences to collaborative, caring management approaches based on evidence.
2. Build collaborative teams that successfully address complex challenges to healthcare.
3. Demonstrate effective professional, ethical communication, utilizing a variety of modalities, to improve healthcare delivery.
4. Assess organizational processes to determine opportunities and methods for improvement.
5. Analyze the impact of health care policy and regulatory mandates on health care management.

6. Demonstrate leadership roles to manage healthcare organizations.

- NCLEX Review Course Determined by the College
- Submission of Graduation Application at beginning of final semester

Associate of Applied Science in Medical Assisting

The Associate of Applied Science in Medical Assisting Degree program provides a course of study with a foundation in the Arts and Sciences emphasizing academic excellence, professionalism, and clinical competence. The promotion of critical thinking skills, professional behaviors, and self-directed learning prepares graduates as medical assistants to work collaboratively in dynamic ambulatory health care settings with a diversity of cultures. The completion of the Associate of Applied Science in Medical Assisting Degree makes it possible for graduates to take the Medical Assisting Certification examination and to pursue more advanced educational pathways.

Program Goals

1. To prepare competent entry-level medical assistant professionals in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains.
2. To maintain a Medical Assisting program consistent with the guidelines and standards of the Commission for Accreditation of Allied Health Education Programs (CAAHEP), with Ohio statutes and regulations for The Christ College of Nursing and Health Sciences.
3. To remain up-to-date and current with the changing healthcare industry.
4. To provide programs and resources for students, college, and community to provide a program that meets the needs of healthcare and the communities that we serve.

Program Outcomes

1. Perform at competent entry-level medical assistants in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains.
2. Demonstrate professional communication while interacting with providers, staff, and patients.
3. Perform professional administrative and clinical skills in the delivery of quality patient care.
4. Maintain ethical and legal behavior within the scope of practice for Medical Assistants.
5. Discuss the value of lifelong learning and continuing education.

Graduation Requirements

- 60 Total credits
- 2.0 Grade point average
- Submission of Graduation Application at beginning of final semester
- Grades of C or higher in all courses
- 30 Credits must be completed through TCCNHS

*FYE 102 required if the student does not transfer at least 15 college credit hours.

*Choose electives to lead to the minimum total of 60 hours required for graduation. Choose from a list of approved courses on the degree audit

Division of Arts and Sciences

Updated 4/16/18

Through engaging students in the Arts and Sciences, the purpose of the Division of Arts and Sciences is to build upon the intellectual, social, and emotional foundation of students by developing a commitment to life-long learning, increasing their social and global consciousness, and their academic and professional competencies, and building on their understanding of what it means to be a knowledgeable and responsible citizen.

The Division of Arts and Sciences delivers the core general education requirements for college and

academic programs.

Students completing the Arts and Sciences experience will be able to:

- Apply an expanded knowledge base within one's chosen profession with the disposition to engage in life-long learning.
- Demonstrate responsible engagement with social-political-cultural issues of local, regional, or global significance.
- Demonstrate academic and professional competency in written and oral communication.
- Demonstrate academic and professional competency within the sciences.
- Engage in intellectual inquiry and critical thinking by identifying assumptions, making inferences, marshaling evidence, and giving a coherent account of reasoning.

Philosophy

The Arts and Sciences curriculum at The Christ College of Nursing and Health Sciences serves to develop within students certain intellectual and cognitive capacities, habits of mind and character, values, moral awareness, integrative abilities in connecting bodies of knowledge, and qualities necessary for productive citizenship in an open and vibrant democracy.

Intellectual and Cognitive Capacities

The Arts and Sciences curriculum is geared to develop in students the capacities for critical thinking, productive and open dialogue, the ability to proactively solve problems and embrace the challenges of the world around them, and a strong internal focus of control so they are creators, not victims of circumstance or fortune.

Habits

The Arts and Sciences curriculum aims to develop habits of diligence, working smart, seeking knowledge, asking and answering questions, and life-long learning. The Arts and Sciences faculty strive to foster study skills, analytical tools for engaging technology in learning, an appreciation for a variety of learning environments and teaching styles, responsibility for students' own education, habits of collaborative learning and action, and habits of self-reflection and assessment.

Connecting and Integrating

The Arts and Sciences curriculum is designed to enable students to connect and integrate knowledge among the arts and sciences and the health sciences, in the belief that together the arts and sciences provide comprehensive insight into our world and the human condition.

Values and Moral Development

The Arts and Sciences faculty believe education entails moral development and the examination of values, including the development of integrity, the ability to work with others, and to both generously consider and

critically examine the thoughts, goals, and values of others as well as one's own.

Citizenship

The Arts and Sciences faculty believe that becoming keenly aware of and exercising their own intellectual capacities and developing their interests in the subject matter of the arts and sciences enables individuals to live fuller and more fulfilled human lives. Moreover, the development of these capacities and habits are also crucial to producing well-informed and capable citizens who can participate productively in a liberal democracy, with openness and awareness of others outside one's own world, with an understanding of the past in order to build a fair, opportune, and sustainable future, and with an appreciation of how small our world is and how, through its interconnections, local action affects the global environment.

Program of Study

Associate of Science in General Studies

The requirements for each degree program listed below are effective for those starting this degree program in fall 2016 through summer 2017. These requirements will remain in effect for students who do not break enrollment or who do not change degree programs.

Associate of Science General Studies

Added 11/15/16

The Associate of Science degree is intended for students planning to attend a college or university to obtain a bachelor's degree in a science major or who wish to obtain a 2-year associate degree. The Associate of Science Degree requires a minimum of 60 credits. Students may transfer in general education courses or select Arts and Sciences courses at the College to meet the criteria. Students must complete a minimum of 30 credits at TCCNHS.

Program Outcomes

Updated 4/16/18

1. Apply an expanded knowledge base within one's chosen profession with the disposition to engage in life-long learning.
2. Demonstrate responsible engagement with social-political-cultural issues of local, regional, or global significance.
3. Demonstrate academic and professional competency in written and oral communication.
4. Demonstrate academic and professional competency within the sciences.
5. Engage in intellectual inquiry and critical thinking by identifying assumptions, making inferences, marshaling evidence, and giving a coherent account of reasoning.

Graduation Requirements

General Education Requirements

Oral & Written Communication (9 credit hours)

- ENG 101 English Composition (3 credits)
- Oral & Written Communication Electives* (6 credits)

Math & Data Analysis (6 credit hours)

- MAT 105 College Algebra (3 credits)
- STAT 201 Statistics (3 credits)

Natural Sciences, Technology, & Innovation (12 credit hours)

- Natural Science, Technology, & Innovation Electives* (12 credits)

Arts, Humanities, Culture & Diversity (3 credit hours)

- Arts, Humanities, Culture & Diversity Elective* (3 credits)

Social & Behavioral Sciences (6 credit hours)

- Social & Behavioral Sciences Electives* (6 credits)

First Year Experience (2 credit hours)

- FYE 102 First Year Experience (2 credits)

Required if student does not transfer at least 15 college credit hours

Unrestricted/Free Elective (22-24 credit hours)*

*Choose electives to lead to the minimum total of 60 hours required for graduation. *Choose from approved courses listed on degree audit*

- **60 Total credits**
- **2.0 Grade point average**
- **Submission of Graduation Application at beginning of final semester**
- **Grades of C or higher in all courses**
- **30 Credits must be completed through TCCNHS**

Department of Nursing

The purpose of the Department of Nursing is to support the mission, vision, and values of The Christ College of Nursing and Health Sciences by providing a course of study with a foundation in the Arts and Sciences. Graduates who earn a nursing degree from The Christ College of Nursing and Health Sciences will be caring, professional nurses engaging in critical thinking, intellectual inquiry, and collaboration. Leadership provided by the graduate will promote high quality care for a dynamic, diverse society in any setting. To assist in advocating for patients to achieve positive outcomes, graduates will possess a knowledge base of regulatory environments and healthcare informatics. The nursing graduate from The Christ College of Nursing and Health Sciences will be a life-long learner who models integrity and excellence in professional nursing practice.

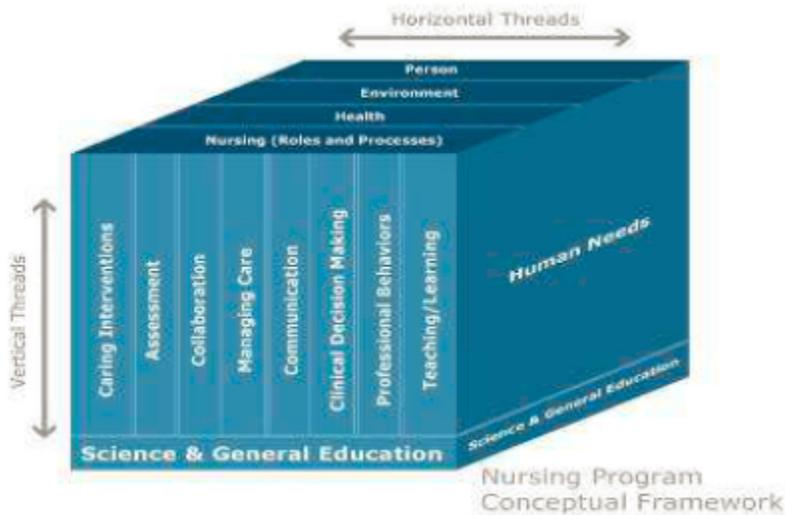

Philosophy

The faculty within the nursing department at The Christ College of Nursing and Health Sciences believe that:

1. A person is a unique individual having intrinsic value. Each individual has diverse physical, emotional, social, developmental, and spiritual needs in varying degrees of fulfillment and deserves caring interventions. The person and environment are constantly interacting.
2. The environment includes all internal and external factors affecting and affected by the individual. A part of this dynamic environment is society, which consists of individuals, families, communities. Any change in the environment may require varying degrees of adaptation. Ongoing assessment by the nurse identifies a person's adaptive efforts to promote, maintain, or restore health.
3. Health is the dynamic process of balance and harmony within the person. A person's state of health may be influenced by personal, societal, and cultural variables and altered by primary, secondary, or tertiary prevention strategies. A person's position on the health continuum may require nursing intervention.
4. Nursing is a caring profession concerned with the patient's responses to health and illness. Nursing is an integral component of the healthcare system. Nurses function collaboratively to address the diverse healthcare needs of patients. Nurses are providers and managers of care and members within the discipline of nursing.
5. Nursing practice integrates knowledge from the biological, social, and behavioral sciences with nursing theories, research/evidence, and clinical experience. The application of knowledge, as well as the therapeutic use of self through effective communication and intervention is fundamental to nursing.
6. The nursing process is a comprehensive clinical decision-making strategy. It serves as a framework for providing and managing competent evidence-based care to promote, maintain, or restore the patient's optimal level of health. This includes support of a dignified death.
7. Accountability and responsibility are hallmarks of a wide range of professional behaviors requisite to the discipline of nursing. Nurses are accountable to patients, society, and the nursing profession for providing high standards of care and upholding legal and ethical principles. Nurses are responsible for continuing professional development.

8. In Nursing, the collaborative processes of teaching and learning take place between the teacher and student. Learning is a goal-oriented, integrative process enhanced by individual inquiry, motivation, and self-direction. Learning is facilitated when faculty creates a cooperative, supportive learning environment, encourages knowledge and skill expansion, and guides students in developing competencies. The achievement of desired changes in knowledge, attitudes, skill and behaviors determines the effectiveness of this collaborative effort.

Framework

Horizontal Threads

Integrated concepts presented at various stages in the curriculum, strengthened through repeated exposure and application and woven throughout the curriculum. For the Department of Nursing, **person**, **environment**, **health**, and **nursing** constitute the horizontal threads of the nursing curriculum and are defined in the Philosophy of the Nursing Programs.

Vertical Threads (with Curricular Concepts in *Italics*)

Sequential concepts spanning the nursing program, progressive in complexity and increasing in depth throughout the program. For the Department of Nursing, the following concepts and definitions constitute the vertical threads of the nursing curriculum. The vertical threads are not intended to be viewed as solitary concepts. Rather, the concepts are intended to reflect the progressive educational development of the student in acquiring the knowledge, skills, behaviors, and clinical reasoning requisite to the profession.

1. **Caring Interventions:** Caring interventions are those nursing behaviors and actions that assist patients in meeting their needs. Caring interventions are based on a knowledge and understanding of the natural sciences, behavioral sciences, nursing theory, nursing research, and past nursing experiences. Caring is the “being with” and “doing for” that assist patients to achieve the desired

results. Caring behaviors are nurturing, protective, compassionate, and person-centered. Caring creates an environment of hope and trust, where patient choices related to cultural values, beliefs, and lifestyle are respected. Caring interventions imply implementation of prevention strategies. (*Caring, Quality*)

2. **Assessment:** Assessment is the collection, analysis, and synthesis of relevant data for the purpose of appraising the patient's health status. Comprehensive assessment provides a holistic view of the patient which includes dimensions of physical, developmental, emotional, psychosocial, cultural, spiritual, and functional status. Assessment involves the orderly collection of information from multiple sources to establish a foundation for provision of nursing care, and includes identification of available resources to meet patient needs. Initial assessment provides a baseline for future comparisons that can be made in order to individualize patient care. Ongoing assessment and reassessment are required to ensure quality and safety in patient care while meeting the patient's changing needs. (*Nursing Process, Evidence-based Practice, Informatics, Communication, NCLEX Success*)
3. **Clinical Decision Making:** Clinical decision-making encompasses the performance of accurate assessments, the use of multiple methods to access information, and the analysis and integration of knowledge and information to formulate clinical judgments. Effective clinical decision making results in finding solutions, individualizing care, and assuring the delivery of accurate, safe care that moves the patient and support person(s) toward positive outcomes. Evidence-based practice and the use of critical thinking/clinical reasoning provide the foundation for appropriate clinical decision making. (*Nursing Process, NCLEX Success, Clinical Judgment, Quality, Evidence-based Practice*)
4. **Managing Care:** Managing care is the efficient, effective use of human, physical, financial, and technological resources to meet patient needs and support organizational outcomes. Effective management is accomplished through the processes of planning, organizing, directing, and controlling. The nurse, in collaboration with the healthcare team, uses these processes to assist the patient to move toward positive outcomes in a cost efficient manner, to transition within and across healthcare settings, and to access resources. (*Nursing Process, NCLEX Success, Quality, Evidence-based Practice, Informatics, Leadership, Collaboration, Healthcare Economics*)
5. **Collaboration:** Collaboration is the shared planning, decision making, problem solving, goal setting, and assumption of responsibilities by those who work together cooperatively, with open professional communication. Collaboration occurs with the patient, significant support person(s), peers, other members of the healthcare team, and community agencies. The nurse participates in the team approach to holistic, patient-centered care across healthcare settings. The nurse functions as advocate, liaison, coordinator, and colleague as participants work together to meet patient needs and move the patient toward positive outcomes. Collaboration requires consideration of patient needs, priorities and preferences, available resources and services, shared accountability, and mutual respect. (*Collaboration, Care Coordination, Nursing Process, Professionalism, Quality, Leadership, Healthcare Economics*)
6. **Communication:** Communication in nursing is an interactive process through which there is an exchange of information that may occur verbally, non-verbally, in writing, or through information technology. Those who may be included in this process are the nurse, patient, significant support person(s), other members of the healthcare team, and community agencies. Effective communication demonstrates caring, compassion, and cultural awareness, and is directed toward promoting positive outcomes and establishing a trusting relationship. Therapeutic communication is an interactive

verbal and non-verbal process between the nurse and patient that assists the patient to cope with change, develop more satisfying interpersonal relationships, and integrate new knowledge and skills. (*Communication, Collaboration, Caring, Nursing Process, Professionalism, Evidence-based Practice, Informatics*)

7. **Professional Behaviors:** Professional behaviors within nursing practice are characterized by a commitment to the profession of nursing. The graduate of a nursing program adheres to standards of professional practice, is accountable for their own actions and behaviors, and practices nursing within legal, ethical, and regulatory frameworks. Professional behaviors also include a concern for others, as demonstrated by caring, valuing the profession of nursing, and participating in ongoing professional development. (*Ethics, Professionalism, Quality, Evidence-based Practice, Informatics, Healthcare Policy, Healthcare Law*)
8. **Teaching and Learning:** Teaching and learning processes are used to promote and maintain health and reduce risks, and are implemented in collaboration with the patient, significant support person(s) and other members of the healthcare team. Teaching encompasses the provision of health education to promote and facilitate informed decision making, achieve positive outcomes, and support self-care activities. Integral components of the teaching process include the transmission of information, evaluation of the response to teaching, and modification of teaching based on identified responses. Learning involves the assimilation of information to expand knowledge and change behavior. (*Patient Education, Health Promotion, Nursing Process, Professionalism, Quality, Evidence-based Practice, Informatics*)

Human Needs (with Curricular Concepts in *Italics*)

1. Biological

Oxygenation: Ability to transport air to the lungs and provide life-sustaining oxygen to cells (*Acid/Base Balance, Cellular Respiration, Gas Exchange, Perfusion*)

Circulation: Ability to transport oxygen and nutrients to cells (*Fluid and Electrolyte Balance, Immunity, Inflammation, Clotting, Homeostasis, Metabolism, Perfusion*)

Nutrition: All the processes involved in taking in and utilization of nutrients (*Nutrition, Metabolism, Functional Ability, Sensory Perception, Glucose Regulation, Caregiving, Palliation, Aging*)

Fluid and Electrolyte Balance: Ability to maintain the volume and distribution of body fluids and solutes (*Fluid and Electrolyte Balance, Acid/Base Balance*)

Elimination: Ability to excrete waste products (*Elimination, Functional Ability, Aging*)

Hygiene/Skin Integrity: Practices that are conducive to preservation of health and maintenance of unbroken and healthy skin (*Mobility, Tissue Integrity, Sensory Perception, Glucose Regulation, Elimination*)

Sensory/Comfort and Regulation: Ability to perceive, integrate, control, and respond to internal and external cues (*Sensory Perception, Pain, Thermoregulation, Intracranial Regulation, Cellular Regulation, Stress, Infection, Safety, Functional Ability*)

Cognition: Mental processes needed for knowing, learning, and understanding (*Cognition, Motivation, Adherence*)

Activity: Ability to engage in body movement (*Functional Ability, Mobility, Aging*)

Safety/Protection: Ability to be protected from actual or potential harm (*Safety*)

Biophysical Development: Orderly and predictable process of growth and differentiation (*Development, Culture, Sexuality, Reproduction*)

1. Psychosocial/Spiritual

Mental Health: Ability to cope with or make the best of changing stresses or stimuli (*Anxiety, Coping, Mood & Affect, Addiction, Interpersonal Violence, Psychosis, Aging; Caregiving, Palliation*)

Sexuality: The sum of physical, functional, and psychological attributes that are expressed by one's gender identity and sexual behavior (*Sexuality, Reproduction, Development, Aging*)

Developmental Tasks: Ability to achieve psychosocial or cognitive skills at certain periods in life (*Development, Cognition, Motivation, Adherence*)

Social/Cultural Interaction: Ability to engage in shared values, beliefs, and practices of a particular group of people (*Culture, Ethics, Caring, Family Dynamics*)

Spirituality/Religion: Essence of a person's being and beliefs about the meaning of life (*Spirituality; Palliation*)

Programs of Study

Bachelor of Science in Nursing Programs

Traditional Bachelor of Science in Nursing Programs (BSN)

Accelerated Bachelor of Science in Nursing Programs (ABSBN)

Registered Nursing to Bachelor of Science in Nursing (RN-BSN)

Bachelor of Science in Nursing and Bachelor of Science in Health Care Administration (See the Division of Allied Health: Programs of Study section of this Catalog for curriculum)

The requirements for each degree program listed below are effective for those starting this degree program 2019. These requirements will remain in effect for students who do not break enrollment or who do not change degree programs.

Bachelor of Science in Nursing Programs (BSN, ABSN, RN-BSN)

Program Outcomes:

1. Apply appropriate evidence to improve healthcare outcomes.
2. Utilize healthcare informatics safely and accurately in the delivery of quality care.
3. Employ critical thinking and clinical reasoning to care for diverse populations.
4. Lead the healthcare team in solving contemporary issues to improve patient outcomes.
5. Collaborate with the inter-professional healthcare team to ensure quality and safety.
6. Demonstrate professionalism in the nursing role.
7. Apply an understanding of health policy and regulatory environments in patient care.
8. Pursue life-long learning and service to meet the needs of a dynamic society.

Pre-licensure Bachelor of Science in Nursing Program Description (BSN & ABSN)

The Bachelor of Science in Nursing programs provide a course of study that has its foundation in the liberal arts and sciences and is an innovative nursing curriculum emphasizing academic excellence and professional leadership through clinical immersion. A distinctive concept-based curriculum integrating service learning prepares students to address the healthcare needs of diverse global communities by promoting population health. Graduates of this program will utilize evidence to promote health and wellness through caring and collaborative strategies incorporating knowledge of regulatory environments, healthcare informatics, and quality improvement. A culture of robust intellectual inquiry will prepare graduates to take the NCLEX-RN licensing examination and to pursue life-long learning.

Registered Nurse to Bachelor of Science in Nursing

Updated 9/20/19

The RN-BSN Program is a completion degree program which builds on a foundation of previous nursing education at the associate degree and diploma levels. The RN-BSN course of study integrates Arts and Sciences with nursing science and theory to promote the advancement of professional nursing practice. The program provides a quality contemporary curriculum emphasizing academic excellence related to current trends and issues in healthcare. Graduates of the RN-BSN program are prepared for leadership roles, career enhancement, and life-long learning to improve healthcare outcomes in a dynamic healthcare environment.

Program Outcomes:

A graduate of the RN-Bachelor of Science in Nursing Degree program at TCCNHS will be able to:

1. Apply appropriate evidence to improve healthcare outcomes.
2. Utilize healthcare informatics safely and accurately in the delivery of quality care.
3. Employ critical thinking and clinical reasoning to care for diverse populations.

4. Lead the healthcare team in solving contemporary issues to improve patient outcomes.
5. Collaborate with the interprofessional healthcare team to ensure quality and safety.
6. Demonstrate professionalism in the nursing role.
7. Apply an understanding of health policy and regulatory environments in patient care.
8. Pursue life-long learning and service to meet the needs of a dynamic society.

Academic Policies and Procedures

General Notice

The Christ College of Nursing and Health Sciences reserves the right to alter or discontinue any of its programs, fees, policies, or services, and to change any provision or policy in the interest of the College or its students at any point in time. The College also reserves the right to cancel courses and course sections, even after registration has taken place, if there is low enrollment, the unavailability of a qualified faculty person, the lack of a clinical site, or other extenuating circumstances. Every effort will be made to place students in other sections of the same course if this is possible.

As a matter of policy, students at The Christ College of Nursing and Health Sciences are bound by the curriculum in effect. Once accepted, all students without transfer credit exemption status for previously completed college courses must follow the pre-arranged College course schedules. The Christ College of Nursing and Health Sciences may terminate at any time the enrollment of a student whose scholastic standing, performance, health, aptitude, or social conduct does not meet the requirements of The Christ College of Nursing and Health Sciences.

Curricular changes are to be expected in response to rapidly changing regulatory, educational, and/or healthcare environmental factors.

Academic Integrity and Honesty

Updated 3/29/16

In an effort to remain faithful to the College's core values, especially those of integrity and excellence, it is

the expectation that all members of the College community make ongoing efforts to be people of integrity in all learning modalities including classroom, clinical, laboratory, simulation, and online learning so that a culture of integrity can pervade the institution. Academic integrity can be understood as the consistency between the promises that we make and the words that we speak and the actions that we perform.

Please [click here to visit the Compliance Bridge Policy Portal](#) and search Academic Integrity and Honesty.

Academic Freedom and Responsibility

Updated 9/18/2017

Academic freedom provides extensive protection for inquiry and speech while recognizing the correlative responsibility to adhere to standards of professional conduct and performance, duty to the institution, and respect for the dignity of colleagues, students and other members of the college community are met.

Please [click here to visit the Compliance Bridge Policy Portal](#) and search Academic Freedom and Responsibility.

Distance Education

Updated 5/22/17; 10/15/2016

Online learning or distance education supports the mission of The Christ College of Nursing and Health Sciences to expand the offerings of courses and programs that prepare individuals for the delivery of healthcare and opportunities for life-long learning. Distance education maximizes student access to courses through an electronic-based delivery system, Blackboard Learning Management System.

Please [click here to visit the Compliance Bridge Policy Portal](#) and search Verification of Student Identity in Distance Education.

Definitions for Delivery Modalities

Edited 10/5/16

Based on best practices in higher education, and in compliance with federal law and the policies of accrediting agencies, the following definitions are offered to provide clarity about the various delivery modalities used in this College.

Face-to-face: The majority of instructional time is in the classroom but may include up to 50% of online instructional time.

Hybrid: Between 50% and 75% of the instructional time for this course will be online.

Online: Between 75% and 100% of the instructional time for this course will be online. Some face-to-face instruction might be required.

NOTE: Faculty members are permitted to use a variety of delivery modalities and learning activities, including, but not limited to, online delivery, field work, off-site activities, and clinical work. Students should always refer to the syllabus for each course for an explanation of the manner in which a course will be delivered. All syllabi are posted on Blackboard one week prior to the beginning of the semester.

Reference: Ohio Department of Higher Education, Supplement (March 2010). Online Delivery.

Obtained by contacting <http://www.ohiohighered.org/academic-program-approval>.

Technology Requirements

Added 5/2/16; Revised 5/23/17

Access to and understanding of technology is essential for success in distance education courses. Students must have access to a reliable computer and high-speed internet connection. For more information on course-specific technology requirements, students should reference their course syllabi. For program-specific technology requirements, students should reference their respective program's handbook, the College website (under Enrollment Steps), and/or "Technology Requirements, Recommendations and Support" in the College Support Services section of this document.

Placement Assessments

Placement assessments may be used by the College to determine a student's academic readiness to engage in coursework necessary for completion of their chosen academic program.

Detailed information pertaining to placement assessments will be provided to students. Students will be required to complete those placement tests that are consistent with the policies in effect at the time of admission to the College. Such placement tests might vary from program to program. Previous placement test results from other schools will not be accepted.

A fee for administering examinations may be assessed.

Based on placement assessment results, students may be required to enroll in identified coursework or other defined remediation.

Placement assessment results and remediation procedures (coursework or tutorials) will be discussed with the student prior to enrollment in their first semester at the College.

Prerequisite Policy General Statement

1. Students are expected to take College courses no later than the term they are prescribed. Students are strongly encouraged to refer to program curriculum plans as well as consult with their academic advisor.
2. Students should work with their academic advisor to determine when courses are offered so as to properly plan their academic curriculum. It is the student's responsibility to ensure they understand the course of study once they begin their studies. The College does not assume responsibility for a student who fails to properly register for required courses.
3. Program specific policies may require prerequisites for progression. See Program specific handbook.
4. IMPORTANT: The Chief Academic Officer or designee must approve any deviation from this schedule.
5. For additional information on prerequisites and co-requisites, refer to curriculum and course descriptions in this catalog.

Course Cancellation Policy

The College values quality education while maintaining fiscal responsibility. In order to be financially accountable, course sections with low enrollment will be cancelled and course sections that are not at enrollment capacity will be combined.

Time to Degree for Matriculated Students

Refer to specific Program Handbooks for "Time to Degree" timelines.

Dual Degrees

Added 8/17/17

Students may earn more than one undergraduate degree concurrently from the College. A student who completes all requirements for two or more different degrees will be awarded multiple degrees and will receive multiple diplomas. Students pursuing multiple degrees must follow the stipulations described below:

Second Associate Degree Concurrently

- Earn a minimum of 15 credit hours in residence unique to each program.
- Meets all degree requirements for both degree programs.
- Associate and Bachelor's Degree Concurrently
- Earn a minimum of 136 credit hours, including a minimum of 76 credit hours in residence.
- Meets all degree requirements for both degree programs.

Second Bachelor's Degree Concurrently

- Earn a minimum of 164 credit hours, including a minimum of 50% of credit hours for each major in residence.
- Meets all degree requirements for both degree programs.

In order to declare a second major, a student should meet with his/her advisor and complete the Dual Degree Declaration Form. The advisor will then send the form to the Registrar.

Grading Policy

Classroom Grading

Updated 2/10/17

To successfully complete any course at The Christ College of Nursing and Health Sciences, a grade of at least a "C" (2.0) or higher must be achieved. Please note a grade of "D" or lower constitutes a failing grade in either nursing or general education coursework. Assignment of a letter grade constitutes completion of the course and enrollment in the course for the entire period. Students should refer to syllabi for course grading scales.

Letter grades are assigned to the final course grade according to the following:

Letter Grade	Grade Point Average
A	4
A-	3.67
B+	3.33
B	3
B-	2.67
C+	2.33
C	2
D	1
F	0

Term and Cumulative Averages

Final course letter grades are converted to quality points in order to compute term and cumulative averages as defined by the Academic Grading Policy.

- The grades a student received in a course accepted as transfer credit from another institution are not included in the computation of either term or cumulative averages.
- Term average, computed each term a student is in the program, and is based on final grades achieved in all courses taken during that term.

- Cumulative average, computed each term, is based on the final grades achieved in all courses required in the program up to that time.

Incomplete Course

An incomplete course is a course in which the student has not completed the required course work by the end of the term.

Criteria:

1. Course assignments not completed by the end of the term may result in a grade of Incomplete (I). No point grade is assigned to the course. Assignment of the grade of “I” is solely at the discretion of the instructor.
2. All incomplete coursework must be completed no later than ten (10) business days following the last day of the semester in which the “I” grade was assigned.
3. Failure to complete all required coursework by the designated time will result in the “I” grade being permanently changed to an “F”.
4. The “F” is then calculated into the student’s GPA.
5. Students who have an “I” for a grade do not qualify for Academic Honors.

Assignment of Credit Hours

Edited 10/3/16

Semester credit hour allotment for a course is determined according to the following:

- Class: 1 clock hour per week for 15 weeks = 1 credit hour
- Nursing Clinical : 3 clock hours per week for 15 weeks = 1 credit hour
- Lab: 2 clock hours per week for 15 weeks = 1 credit hour
- Clock hour adjustments are made for eight (8) week courses to equate to credit hours as outlined above.

NOTES:

- One Clock Hour = 50 minutes
- A semester term includes a fifteen (15) week instructional period plus one (1) week of final examinations.
- An eight (8) week semester including eight (8) instructional weeks including final exams

The Christ College of Nursing and Health Sciences defines clock hour and credit hour as follows:

Clock Hour: In alignment with common practices in higher education and in compliance with Federal Law and the policies of accrediting agencies, a clock hour shall be defined as 50 minutes.

Credit Hour: In alignment with common practices in higher education and in compliance with Federal Law and the policies of accrediting agencies, one credit hour is earned when a student has successfully completed 750 minutes of instruction within a given semester or term as defined by the institution (1 credit hour = 750 minutes).

It shall further be understood that each credit hour presumes a minimum of an additional two clock hours of work outside of the classroom.

Example: A three (3) credit course consists of three (3) clock hours (150 minutes) each week for a total 2250 minutes for a 15 week semester.

A three (3) credit course also requires that students are given six (6) clock hours of work to be done outside of the classroom or 300 minutes/week of such work. These activities could include writing assignments, reading assignments, working on problem-solving skills such as case studies, viewing videos or PowerPoint presentations, reviewing course material, observing the world around them, etc.

Online Course Example: It will be important to be able to demonstrate that the learning activities in an online course will consume a minimum of 2250 minutes of instructional time in addition to time that students will need to spend in preparation for those learning activities such as reviewing materials, preparing for tests or quizzes, preparing drafts for written assignments, etc.

Dean's List of Honors

1. All full-time students (12 semester credit hours) are eligible for Dean's List of Honors.
2. At the end of each semester, both the semester and cumulative GPA will be calculated.
3. Students with a semester average of 3.50-4.00 receive Deans List of Honors.
4. The Dean's List of Honors designation is separate from Latin honors at graduation.
5. Dean's List of Honors will be noted on official transcripts for the semester the honor was awarded.

Academic Standing

Students are considered to be in good academic standing within the College provided they maintain a cumulative GPA of 2.0 or higher, have finalized any grade of "incomplete" within the specified period of time, and are not in violation of any academic policy such as that of academic integrity and honesty.

Early Alert System

The Early Alert System is designed to alert students if they are in danger of failing a course. The system provides the opportunity for the student and professor to collaborate in order to determine appropriate interventions for the student, engaging the student's academic advisor as a resource.

If you are in danger of failing a course by week four of an eight-week semester or week seven of a 16-week semester, your professor will send you an email and request to meet with you to identify challenges and discuss actions for moving forward. Your academic advisor will also be notified and can serve as a resource to you for non-academic related obstacles that may be preventing your success in a course. Please take the responsibility to communicate with your professor and advisor, as appropriate, so they can work with you and help you identify resources to support your success in the course. In addition to your professor and advisor, you should consider tutoring, the Writing Center, counseling for personal and financial trouble, and other support to help you be successful in the course.

Academic Probation

A student will be placed on academic probation at the end of any semester in which the student has earned a term or cumulative grade point average of less than 2.0.

1. A student who has been placed on academic probation will be notified via e-mail, student mailbox, and/or US Postal mail. The notification will include a plan outlining the necessary steps to return to good academic standing.
2. In the event a student on academic probation fails to attain a 2.0 semester and cumulative average for the next semester of attendance, the student will be dismissed from the institution.

Academic Dismissal

Updated 2/16/17

Academic Dismissal refers to a student enrolled in The Christ College of Nursing and Health Sciences whose enrollment has been terminated. Academic dismissal is determined by an Associate Dean or designee and formally approved by the Chief Academic Officer of the institution.

The enrollment of a student may be terminated for any of the following reasons:

1. Two continuous semesters of a term or cumulative GPA below a 2.0.
2. Failure of a student to remove self from probation or suspension by the time specified.
3. Lack of integrity, dishonesty, violation of College policies, behavior considered detrimental to safe and effective patient care (if a nursing student), or other misconduct. (Such behaviors may also invoke probation.)

SPECIAL NOTES: Reinstatement following dismissal or termination is not automatic and must be approved by the Chief Academic Officer of the College.

Attendance Policy

Revised 7/26/17

A primary objective of the College is the demonstration of student accountability through responsible self-directed behaviors. Consistent attendance offers the most effective opportunity for students to gain command of the concepts and material. Daily attendance, prompt arrival, demonstration of a positive attitude of respect, and cooperation are expected. Classroom attendance is expected. Individual course faculty may establish course policies that consider attendance as a factor in determining course grades. Please refer to program handbooks and course syllabi for specific attendance policies.

Attendance in Hybrid Courses

Any student who does not participate in at least one academic activity by the first Friday of the course by 11:59pm will be reported as a 'no-show' to the Registrar's Office. The student will be dropped for the course. Academic activities in a hybrid nursing course include face-to-face class meetings, posting in a graded discussion board or blog. Emails to course faculty to ask questions are not considered academic activities for attendance purposes.

Attendance in Online Courses

1. Online attendance is assessed by submission of online academic activities by the published due date and time. All due times reflect Eastern Time Zone.
2. Emails to course faculty to ask questions are not considered academic activities for attendance purposes.
3. Any student who does not participate in at least one academic activity by the first Friday of the course by 11:59pm will be reported as a 'no show' to the Registrar's Office. The student will be dropped from the course. Academic activities in an online nursing course include posting in a graded discussion board, a blog post, journal, or written assignment.

NOTE: A separate policy exists for "Dropping Students Who Never Attend Class." Refer to section on Registration and Records [LINK NEEDED](#)– General Policies in this catalog.

Non-Continuous Enrollment Policy

Revised 1/15/16; 5/8/17

A student who needs to take one (1) semester off from the scheduled coursework outlined in his/her education plan will be considered non-continuously enrolled. Non-continuously enrolled students may take no more than one (1) semester off from scheduled coursework, and return to classes will be contingent upon the space available. Notes: A student must have had at least one grade issued at the College to be eligible for non-continuous enrollment. If a student withdraws from coursework after the drop/add date (and has therefore been assigned a grade), non-continuous enrollment will begin in the following semester of scheduled coursework. If a student needs to take an extended period of time off for medical or catastrophic reasons, s/he should reference the Leave of Absence Policy.

Any student who is non-continuously enrolled must first speak with his/her academic advisor and be responsible for maintaining communication with the academic advisor regarding plans to return to classes. A non-continuously enrolled student must contact his/her academic advisor no later than eight (8) weeks prior to the start of the semester in which s/he plans to return to classes. A student returning from non-continuous enrollment must register for classes after those students who have remained continuously enrolled and followed a normal course progression. A student on non-continuous enrollment must also contact the Administrative Assistant of Arts and Sciences eight (8) weeks prior to his/her return in order to complete any outstanding health or enrollment requirements.

Any student who fails to return from non-continuous enrollment will be automatically withdrawn from the College on the first day of the semester in which s/he is scheduled to return, and s/he must reapply in order to return to the College in a future semester. Non-Continuous Enrollment extensions beyond one semester must be approved by the Chief Academic Officer and Dean of College Support Services.

Illness in the Classroom, Lab and Clinical Settings

Medical Emergency Situation

- A. For an emergency health need during scheduled nursing classes or in a clinical facility without emergency department services, the faculty/clinical instructor, or designee (i.e., preceptor) will either contact the Emergency Medical System (911) to summon emergency assistance for the student, or follow policy for emergencies as outlined in the College Catalog.
- B. For an emergency health need during scheduled clinical time in a clinical facility with emergency department services, the faculty/clinical instructor, or designee will assist in transporting the student to the emergency department.
- C. The student is responsible for payment of emergency services and any treatment incurred.

Medical Nonemergency Situation in the Classroom, Lab Setting and Clinical Setting

- A. Students with a nonemergency health need during class, lab or clinical time must self-identify to the faculty, clinical instructor or designee the nature of the health need. The faculty, clinical instructor, or designee (i.e., preceptor) will determine if the student can continue with learning activities.
- B. When the student is released from class, lab or clinical, the faculty, clinical instructor, or designee (i.e. preceptor) will assist the student in arranging transportation from the facility if needed.
- C. This may count as an absence according to the classroom and clinical attendance policies.

Cadaver and Dissection Policy

Added 3/17/16

The following guidelines are established for the safe dissection of animal hearts and animal tissues along with fresh and embalmed human cadavers. Proper handling, cleaning and disinfection practices are necessary to reduce risks of transmission. The dissection and examination of the tissues are for educational and training purposes only.

A donated human cadaver represents one of the most valuable teaching tools for the study of human anatomy.

- You are required to treat the cadavers with the respect and consideration due to a living person. The cadavers are to be referred to by their sex or tag number **ONLY**.
- No signs of disrespect for the cadaver will be tolerated by any of the faculty.
- Disrespectful behavior could result in your dismissal from the course and/or the college.
- **NO** outside visitors or guests are allowed into the lab at any time under any circumstances to view the cadaver.
- Students will gain access to the cadaver only in the presence of, or through the direction of, faculty members.
- **NO photography of any kind** is allowed.
- Because of this, ****no photography or video equipment** – including cell phones** – of any kind are allowed in the laboratory. Leave all cell phones at home or turn them off and store in your bag as you enter the laboratory. Failure to comply with this rule can create legal problems for both you and the college and will not be tolerated. Failure to comply will result in dismissal from the course and/or the college.
- Although the cadavers have been dissected prior to the laboratory session, it is the student's responsibility to maintain the condition of the cadaver during the lab sessions.

This includes handling labels with care and using the wetting solution provided to keep the cadavers moist.

- **Wear gloves** at all times when handling the cadavers and dispose of gloves properly. Hands are to be washed/disinfected after gloves are removed.

Other personal protective equipment, such as impervious gowns and face protection, is available for use.

- Cadaveric material should **NOT** leave the lab under any circumstance. This includes both solid tissue and fluid waste.

All sharps and other contaminated disposable equipment is to be discarded in sharps containers.

- Waste material should **NEVER** be placed down drains or thrown into common trash.
- If a student is pregnant or intends to become pregnant during the semester, the student must contact either the professor of the course or the Associate Dean of Compliance for general education and instructional support services as soon as possible.
- Environmental Services (513-585-3031) is to be contacted to both deliver and pick-up the biohazard container for proper disposal of tissues.

Final Exam Policy

Added 3/13/2017

It is TCCNHS policy that all final exams will be administered during the specified final exam week on the College Calendar. 8-week courses will administer the final examination during the last class meeting at the regular class time and in the usual classroom. The College is required to provide the calculated number of instructional contact hours as stated in the syllabus. Contact hours are determined based on the definition **1 credit hour = 750 minutes**. The College also states in the College Catalog that it provides 15 weeks of instruction and 1 week for final exams.

1. If a final examination, comprehensive or not, is part of a class requirements, it must be given only during the final examination week according to the final exam schedule. Final examinations administered earlier than the appointed time, either during the prior week or during the final examination week, are not permitted.
2. The examination schedule does not apply to 8-week courses. Final examinations in these classes are to be given during the last class meeting at the regular class time and in the usual classroom.
3. Examinations will be held in the regular classroom unless students are otherwise notified. 4. When students have three or more final examinations on the same day, they are entitled to arrange an alternative examination time for the last exam or exams scheduled on that day. When students have two final exams scheduled to meet at the same time, they are entitled to arrange an alternative examination time for the later course offered that day or week. Such arrangements must be made by the in the tenth week of the semester. Students should make arrangements with the instructor of the affected course and are expected to provide evidence of these situations to qualify for exceptions. 5. Rationale must be provided to the appropriate Associate Dean if a final examination is not being administered.

The Registrar is responsible for scheduling all final examination dates, times, and rooms. The Registrar will post the final exam schedule on Blackboard.

Grade Appeal Policy and Procedures

Updated 6/24/16

The Grade Appeal Policy provides students with an avenue of redress when a final course grade is in question based on a mathematical error or grading that does not coincide with the published grading policy in the course syllabus. The procedures for appealing a final course grade are outlined below.

Procedures

Informal Appeal

A student who believes a final grade is improper should schedule an appointment to discuss this concern with the course instructor (or the Associate Dean in the instructor's absence) within two (2) business days

of the posting of the final course grade. This meeting is a pre-requisite to filing a formal grade appeal. The course instructor is required to make a good faith attempt to meet with a student who has contacted him/her to discuss a concern with a grade within three business days of when the grade was posted. Reasons for delay should be explained and documented. The course instructor should also document the meeting when it occurs.

Formal Appeal

If, after the discussion with the course instructor, a student decides to appeal the final grade, the following are the steps for the formal appeal process:

1. Within four (4) business days after final grades are posted by the Registrar's Office, the student will submit written appeal documentation to the Associate Dean of the Department including a statement of the reason for the appeal, previous steps taken with the course instructor to resolve the issue, and evidence supporting the student's assertion that the grade is improper. To be considered, the grade appeal must claim one or both of the following reasons:

- a. The final course grade conflicts with the grading policy per the course syllabus.*
- b. There is an alleged mathematical error in calculating the final course grade.*

It is the student's responsibility and burden to show that the final course grade conflicts with the grading policy per the course syllabus and/or there is a mathematical error in calculating the final course grade. Students are advised that the professional judgment of course instructors cannot be challenged and appeals made solely on that basis will not be considered.

1. Upon receiving the written appeal documentation, the Associate Dean will notify the student of receipt of the appeal. The Associate Dean will then determine if the appeal has been timely and properly filed according to the standards in Section 1. If the appeal has not been timely filed and/or has not been properly filed according to the standards in Section 1, the appeal will be dismissed and will not be heard and the student will be notified of such in writing. If the appeal has been timely and properly filed according to the standards in Section 1, the student will be notified that the appeal will be reviewed and also provided an explanation of these procedures.

Evidence of difficulties in arranging the initial meeting with the course instructor may be reason for the Associate Dean to forgive the untimely filing of an appeal, so long as the student made efforts to file the appeal in a reasonable amount of time after he or she was able to meet with the course instructor.

1. The Associate Dean will send the named course instructor a copy of the student's appeal documents so a response can be submitted. The instructor will be asked to provide appropriate documentation by a specified date, usually within one (1) business day of the request. Documents to be submitted include a description of the grading and evaluation process for the course (including the syllabus if separate), documentation of the informal grade appeal meeting, and any other documentation or rationale deemed important.
2. The Associate Dean will provide the student with a copy of the course instructor's response and other documentation provided and allow the student an opportunity to provide any additional information

- by a specified date, usually within one (1) business day.
3. Once the course instructor has provided a response and other information and the student has had an opportunity to provide additional information, the Associate Dean will establish an appeals file of all correspondence and materials related to the appeal to be reviewed by the committee as discussed below.
 4. The Associate Dean will then appoint a committee of three (3) faculty members within the department. In constructing the committee, possible conflicts of interest should be considered and addressed.
 5. The Associate Dean will determine with the committee a date for a review of the appeal within two (2) weeks of establishing an appeals file. The appeals file will be provided to the committee at the meeting for review, discussion, and the creation of a written recommendation regarding the grade appeal.
 6. Following the meeting, the committee's recommendation will be forwarded to the Associate Dean. The Associate Dean will notify the course instructor and the student of the recommendation in writing within one (1) business day.

Upon consideration of the committee's recommendation, the ultimate decision to change a grade is made by the course instructor. The course instructor should notify the Associate Dean, Program Director, and student of the decision in writing within two (2) business days of receiving the committee's recommendation. If the grade is to be changed, the Registrar should also be notified. The course instructor's decision at this stage is final, and there is no further appeal available unless the failing grade has resulted in the student's academic dismissal from the College.

Final Appeal in Cases Resulting in Dismissal

If a student's failing grade remains in place following a grade appeal and the failing grade will result in dismissal from the program, the student may make a final appeal to the Chief Academic Officer (CAO) of the College. This appeal should include a short written statement explaining the appeal and attaching all previous appeal documents. This appeal must be filed with the CAO within three (3) business days after receipt of the course instructor's final decision. The CAO may take any action he/she deems is appropriate under the circumstances of the case and will make a decision within five (5) business days of receiving the appeal, unless circumstances require a lengthier time frame. If the time frame is to be extended, the student and the involved course instructor will be notified in writing. The decision of the CAO is final. Appropriate parties, including the student, will be notified in writing of the CAO's decision within three (3) business days of the decision being made.

FA2018-2019 Appeal scned needed(tables)

Admissions

Last updated: August 15, 2022

Admissions Information

Admission Requirements

Updated 01/16/2020

The Christ College seeks to admit students compatible with the College mission and who have the prerequisite knowledge, skills, and abilities to assure a reasonable probability of success.

Applicants seeking admission to TCC are required to submit all application materials and fees; and complete all prerequisite requirements.

Admission requirements are available by program at www.thechristcollege.edu.

Please [click here to visit the Compliance Bridge Policy Portal](#) and search Admissions Policy.

Provisional Acceptance

Added 9/18/15

Students seeking admission into the College who do not meet one or more of the program specific admission requirements may choose to pursue provisional acceptance. The admissions committee reviews applications submitted for provisional acceptance after the conclusion of the admissions deadline. Offers of admission are offered as space permits.

In order to qualify for review by the committee an applicant must complete the following:

- Completed and submitted online application for the program desired
- Official, sealed transcripts from each institution attended (both high school and college)
- Two completed reference forms (obtained from the admissions office)
- Personal statement, outlining why the applicant should be considered for admission into the College, not exceeding one page

Readmission

Updated 8-24-20

Former students seeking to be readmitted into the College must complete the following:

- Submit a current online application
- Submit official transcripts from all institutions they have attended (except for TCCNHS)
- Meet the current admission requirements for the program into which they are seeking admission
- Personal statement, outlining why you are seeking readmission, not exceeding one page
- All previous balances at the College must be settled before the application deadline.

The Admissions Committee and/or the applicable Academic Dean review the application. Readmission into the College is not guaranteed and is handled on a case-by-case basis. All students who are granted readmission fall under the current policies and graduation requirements. This may result in loss of prior credit due to curriculum changes that have taken place during the lapse of enrollment.

Students who have been dismissed from a nursing program due to two nursing course failures must wait 2 years before reapplying to the nursing program.

Matriculation Fee Policy

Updated 8-24-20

Upon receiving a letter of admission into The Christ College of Nursing and Health Sciences, BSN and ABSN students are given 30 days in order to pay the non-refundable matriculation fee to hold their clinical seat in the upcoming class.

Opt-out Disclosure

Students have the right to restrict the release of promotional photographs, interviews, or videos at The Christ College of Nursing and Health Sciences (hereafter “TCCNHS”). TCCNHS may use or post with the purpose of promoting TCCNHS without written consent, unless you have advised TCCNHS to the contrary in accordance with TCCNHS procedures. The primary purpose of this disclosure is to allow TCCNHS to include photographs, videos or interviews in school publications, college website, and social media sites. Examples include:

- Publications and marketing materials, such the annual college view book
- Photographs, videos, interviews for promotional print and online publications
- Photos, videos, or interviews for social media sites

Any matriculated student who wishes to be excluded from such publications and online postings should write a letter, signed and dated, expressing their “opt-out” preference. Letters should be mailed to:

The Christ College of Nursing and Health Sciences Attn: Marketing & Recruitment Office 2139 Auburn

Avenue Cincinnati, OH 45219

Course Catalog

Last updated: August 15, 2022

Please click [here](#) to access the 2021-22 Course Catalog, which includes course descriptions. All courses listed are not offered in a given academic year. For a listing of courses provided for each semester, please review the Courses by Semester in SONIS.

Financial Aid

Last updated: August 15, 2022

The Financial Aid Office at The Christ College of Nursing and Health Sciences assists students and parents to successfully navigate the financial aid process from beginning to end. Financial aid is intended to assist students who otherwise would be unable to finance their education. All financial aid in the form of federal loans and grants is administered by the Financial Aid Office under the policies established by the Federal and State governmental guidelines. Eligibility is based on the demonstrated financial need of the student and/or the student's family and on registered credit hours. Please visit the [Compliance Bridge Policy Portal](#) and search Financial Aid policies.

Student Grade Level

Students attending the College will be classified by grade level based upon the number of credit hours earned. Transfer credit hours that have been officially accepted by the College will be counted towards a student's earned hours when determining grade level.

Grade Level Classification:

Freshman Level: 1-30 credit hours earned

Sophomore Level: 31-60 credit hours earned

Junior Level: 61-90 credit hours earned

Senior Level: 91-120 credit hours earned

SPECIAL NOTE: *Eligibility for federal, state, and institutional aid will be determined in part by total credit hours earned by the student.*

Disbursements and Refunds

Financial aid is first applied to all outstanding balances owed to the College by the student for each semester. Financial aid funds are applied each semester after the 100% refund period of the semester. The amount of the award applied to tuition costs is determined in part by the amount of registered credit hours for each student in each semester. Student loan proceeds will not be received and disbursed by the College until the student has electronically signed their Master Promissory Note (MPN) and has met all other eligibility requirements.

If financial aid funds are more than enough to cover all outstanding balances owed to the College for the semester then a student may be eligible for a refund of student financial aid funds. Refund checks will be processed on a weekly basis after financial aid funds have been fully disbursed and the student has met all eligibility requirements. Eligible student refund checks will be mailed directly to the student at the address on file with the College, no exceptions.

Any changes to a student's registered hours in a semester or financial aid record can delay the disbursement of funds and the processing and/or receipt of student refunds. In the event a student receives a refund of financial aid funds and subsequently becomes ineligible for the refund, the student is responsible for repaying the College for the amount they are no longer eligible to receive.

Updated 2/12/2020

Any unearned amount of institutional charges and federal financial aid must be returned to the Financial Aid program, other sources of aid, or the student as a refund, as defined by federal, state and institutional regulations.

Please [click here to visit the Compliance Bridge Policy Portal](#) and search Financial Aid Refund Policy.

Financial Aid Book Voucher Process

The Christ College of Nursing and Health Sciences (TCCNHS) together with Joseph-Beth Booksellers have developed the following guidelines and procedures for students who wish to use their anticipated financial aid refund to purchase required and recommended books and supplies. Eligible students may only receive a book voucher at the Financial Aid Office.

Book Voucher Eligibility

To be eligible for a TCCNHS Book Voucher, a student must meet the following requirements:

1. Have a valid FAFSA on file with TCCNHS
2. Have completed verification process with the financial aid office if applicable.
3. Have signed a master promissory note (MPN) for Direct Student Loans if applicable.
4. Have a completed financial aid file.

5. Be in good standing of Academic and Financial Aid SAP policies.
6. Have registered for a minimum of 6 credit hours.
7. Have financial aid in excess of tuition charges for the semester.
8. Have no outstanding balances owed to the College for the current or previous semesters.

Book Voucher Guidelines

1. Only one book voucher per student.
2. Book vouchers are only available for fall, spring and summer semesters.
3. Book vouchers expire at close of business on the final day of the 100% refund period.
4. No book vouchers will be given after the final day of the 100% refund period.
5. Can receive up to \$1000 in a book voucher depending on individual eligibility. A minimum of \$100 must be available in a pending refund to process a book voucher.
6. Students are not permitted to purchase books or supplies for other students.
7. Only required or recommended books and supplies for the currently enrolled semester will be permitted.
8. Book vouchers must be used at the Joseph-Beth at Christ Hospital store only to purchase required or recommended books and supplies.
9. At time of purchase, student must show Joseph-Beth Booksellers your College ID badge or photo ID.
10. Only the Director of Admissions and Financial Aid or approved college designee are authorized to sign the TCCNHS Book Voucher Form.

Book Voucher Process

1. Book Voucher Forms are available at the Financial Aid Office beginning one week prior to the start of the semester or at designated dates as determined by TCCNHS in conjunction with Joseph-Beth.
2. Book voucher requests will not be processed by email or phone. Requests must be made in person at the Financial Aid Office.
3. A book and supplies fee will be charged to the student account for the amount invoiced by Joseph-Beth Booksellers.
4. The completed book voucher should be considered as cash and if a student misplaces the voucher or loses the voucher, another voucher will not be issued.
5. For your first purchase at Joseph-Beth at the Christ Hospital store, you will be required to give them your Financial Aid voucher. They will set up an account in your name and in return, provide you with a Special Payment Card with the allotted financial aid loaded on the card. Each time you purchase, you will need to pay with this card. This is considered cash and if a student misplaces the Payment Card, another voucher will not be issued.

6. The Joseph-Beth Payment Card can only be used at Joseph-Beth at Christ Hospital and the student must present their College ID or photo ID at the time of purchase.
7. Joseph-Beth Booksellers will reconcile with TCCNHS approximately 30 days after the start of the semesters. Approved book vouchers will expire the day after the 100% tuition refund schedule of the College.

Student Rights and Responsibilities

Student Rights:

- You have a right to know the name of a school's accrediting organization.
- You have a right to know about a school's program; it's instructional, laboratory, and other physical facilities and its faculty.
- You have a right to know what the cost is of attending and what the school's policy is on refunds to students who withdraw from the College.
- You have the right to know what financial aid programs are available at your school.
- You have the right to know the deadlines for submitting applications for each of the financial aid programs available.
- You have the right to know how financial aid will be distributed, how decisions on that distribution are made, and the basis for these decisions.
- You have the right to know how your financial need was determined. This includes how costs for tuition and fees, room and board, transportation, books and supplies, personal and miscellaneous expenses are considered in your budget.
- You have the right to know what resources (parental contribution, other financial aid, your assets) were considered in the calculation of your need.
- You have the right to know how much of your financial need, as determined by the institution, has been met.
- You have the right to request an explanation of the various programs in your student aid package.
- You have the right to know what portion of the financial aid you received must be repaid and what portion is grant aid. If the aid is on a loan, you have the right to know what the interest rate is on the loan, the total amount that must be repaid, the payback procedures, the length of time you have to repay the loan, and when repayment is to begin.
- You have the right to know how the school determines whether you are making satisfactory progress and what happens if you are not satisfactorily completing the requirements.

Student Responsibilities:

- When you sign a promissory note, you are agreeing to repay according to the terms of the note. This note is a legally binding document. This commitment to repay means that, except in cases of cancellation, you will have to pay back the loan—even if you do not complete your education, are not able to get a job after you complete the program, you are dissatisfied with, or do not receive, the educational or other services you purchased from your school.
- You must make payment on your loan even if you do not receive a bill. Billing statements (or coupon books) are sent, as a convenience to the borrower, but not receiving them does not relieve you of your obligation to make payments.
- You must attend an exit interview if you accepted any loans and leave school before graduation.

Registration and Records

Last updated: August 15, 2022

The Office of Registration and Records is responsible for providing efficient, timely, and personable service to students, while maintaining accurate student academic records. The Registrar processes grades and transcripts, prepares credit evaluations and notifies students on transfer credit issues, oversees the registration process, and enrollment verifications. The Registrar coordinates graduation, certifies degree completions, posts degrees, processes diplomas, and is the FERPA Compliance Officer for the College.

Registration

Students are required to register for courses before each academic term. Prior to each registration period, course listings, specific registration dates, and registration instructions are posted online on the Office of Registration and Records webpage. Students may not register for a course they are currently enrolled in for the following semester until official grades are posted in SONISWeb.

Prior to registration, students must login to SONIS to accept any Registration Holds on their account. Accepting registration holds will enable the student to register on the day and time listed on the Academic Calendar.

Registration is available through SONISWeb. Registration time is based on the student's classification (sophomore, freshman, and non-degree) and program. After a student has registered online, a student should print a copy of their class schedule to verify that the online registration process was completed.

To view class schedule information, registration dates and instructions, forms for changing name or address, and requesting official transcripts, please refer to the Office of Records and Registration webpage at <https://www.thechristcollege.edu/registrar>.

Please note that The College reserves the right to cancel courses and course sections, even after registration has taken place, if there is low enrollment, the unavailability of a qualified faculty person, the lack of a clinical site, or other extenuating circumstances. Every effort will be made to place students in other

sections of the same course if this is possible. Students will be notified of any changes via their college email.

Requesting Official Transcripts

Official transcripts are released from The Christ College of Nursing and Health Sciences authorization is received and the student's financial obligations to the College have been met. Official transcripts may be requested securely via the National Student Clearinghouse. Using this process also allows you to track the processing of your order and receive email and text alerts regarding your request. To access the transcript request page please visit the website at: www.thechristcollege.edu. Select 'Quicklinks' -> 'Onestop' -> 'Request Transcript of Grades.'

Transcripts may be mailed or emailed but cannot be faxed. Currently enrolled students may access and print their unofficial academic record by logging into SONIS.

Credit Transfer Policy

The Christ College may grant credit to students based on previous academic, employment, experiential, and/or other learning experiences. Credit may be considered for class and/or clinical credit toward degree completion. Credit for prior learning is awarded for demonstrated college-level learning which entails knowledge, skills, and competencies that students have obtained as a result of their learning. Credit for prior learning will be awarded only for learning directly applicable to curriculum requirements of The Christ College and the student's declared program of study.

Please [click here to visit the Compliance Bridge Policy Portal](#) and search Credit Transfer Policy. The procedures for awarding the credit include "Credit by Examination", "Credit for Experiential Learning", "Military Credit", "Training Programs/Extra-Institutional Learning", and "Transfer Credit for Complete College Courses".

Course Credit Hour Policy

Updated 03/08/2021

The Christ College (TCC) operates on a semester calendar. The academic year is divided into two semesters (fall and spring) and summer sessions. Each course is assigned a number of credit hours.

All credit-bearing degree programs at TCC are approved by the Ohio Department of Higher Education (ODHE).

Please [click here to visit the Compliance Bridge Policy Portal](#) and search Credit Hours.

Academic Renewal

1. Purpose

- Academic Renewal permits a former student to resume study without being penalized for his or her unsatisfactory academic performance. All courses with grades less than a 2.0 © will appear on the transcript but will not be calculated into the GPA. Credit earned at The Christ College of Nursing and Health Sciences with a grade of less than a 2.0 © will not satisfy course completion requirements.

3. Eligibility

- Academic renewal may be used once.
- To qualify for academic renewal, a former degree candidate, provisional student, or non-degree student, must (1) have a cumulative grade point average below a 2.0; and (2) have taken no course work at The Christ College of Nursing and Health Sciences for a minimum of two (2) calendar years. Enrollment in any credit course through any Christ College of Nursing and Health Sciences' course delivery system disrupts the required two year non-enrollment period, even if the student withdrew from the course(s). Students must seek academic renewal prior to resuming enrollment.
- A student may apply for academic renewal status by filing a "Letter of Intent" addressed directly to the Chief Academic Officer of the College. This letter should be filed no later than the Friday of the 8th week of the term preceding the semester or session in which enrollment is desired.
- The Chief Academic Officer will review the Academic Renewal status request. If denied, the decision is final. If granted, the following criteria must be observed:
 - The student must enroll for a minimum of six (6) semester credits hours as specified by the Chief Academic Officer. This will be noted as a probationary period for the student.
 - Once the probationary period has ended, the student must have achieved a minimum GPA of 2.75 or higher and may not have failed or withdrawn from any courses. Additionally, the student must be free of any other designations (such as non-academic or academic sanctions assigned during the probationary period).
 - If the student successfully completes all criteria outlined during the probationary period, he or she will receive Academic Renewal status, which will appear as "Academic Renewal Granted" on the transcript.
 - All college credits earned during the time between the time the student left the institution and prior to granting of the academic renewal are not transferable into the College.
 - Students are required to meet the current curriculum plan in place at time of academic renewal.

Change of Majors

Added 12/20/16, updated 10/9/20

The Christ College of Nursing and Health Sciences has developed a policy that enables students to move more freely among majors. However, there is limited availability and program entrance requirements that must be met in restricted majors.

Restricted Majors Bachelor of Science in Nursing:

Students interested in transferring to nursing must have a 2.75 minimum Christ College GPA. Admission is very competitive and dependent upon space available in the major at the time of the request. Meeting the minimum requirements does not guarantee admission into the major. The transfer request will be sent to the Admission Committee for final determination or denial of admission.

Registered Nurse to Bachelor of Science in Nursing:

Students are not eligible to transfer into the RN-BSN program. The admission requirements state students must have successfully completed a pre-licensure nursing program and have obtained nursing licensure.

Unrestricted Majors

Associate of Science in General Studies, Bachelor of Science in Health Care Administration and Medical Assisting have year-round admissions.

Students must be in good academic standing (i.e. GPA must be ≥ 2.0). If a student's GPA is less than 2.0, the student may have one semester on probation to raise his/her GPA to ≥ 2.0 .

Procedure for Change of Major:

1. Consult with your Academic Advisor: The College is committed to ensuring that all students are making informed decisions regarding their academic interests and their professional goals and objectives.
2. Complete the Change of Major form provided by the Academic Advisor.
3. Submit the Change of Major form to the Registrar.
4. Your paperwork will be processed, and major changed within 5 days of submission for unrestricted majors.
5. You will be notified within two weeks of submission of paperwork for acceptance or denial into a restricted major.

Withdrawal, Drop, Refund Policy

Updated 2/24/2020

From time to time circumstances may arise that make students unable to continue their enrollment as a Christ College student for the remainder of the current term. If the timing of this occurs on the first day of the term or any point prior to finals week, students must initiate the withdrawal process in order to formally

discontinue their enrollment from the College. Students seeking to withdraw from The Christ College must comply with the processes established by the Office of the Registrar.

Please [click here to visit the Compliance Bridge Policy Portal](#) and search Withdrawal, Drop, Refund Policy.

Repeating a Course with Grade Replacement

Revised 7/26/17

1. A student may repeat a course one time with the last grade replacing the original grade.
2. The last grade always prevails and the original grade is removed from the GPA computation; however, the original grade remains on the transcript. In instances where the College must determine a student's academic fitness, any course that is repeated as a result of failure may still factor into decisions related to academic probation, suspension or dismissal.

Audit Policy

Audit students are those who desire to attend course(s) without receiving academic credit.

Criteria:

- a. Students may audit any theory-based or didactic course at the College. For safety and patient privacy reasons, the clinical component of all nursing courses may not be audited.
- b. No academic credit will be given for an audited class.
- c. Tuition and fees for classes audited will be the same as those taken for credit.
- d. Courses audited will not be counted in computing the maximum number of hours for which a student is allowed to register.
- e. Students are expected to follow the same attendance regulations for audited classes as for credit classes.
- f. Students may take the examinations but are not required to do so.
- g. Audited classes are recorded with an "AU".
- h. All students must make the decision to audit at the time of registration. Students should refer to the add/drop policy for any change in course designation.
- i. The Registrar will not honor a change request for credit and/or audit after the deadline date for refund of fees has passed.

Graduation Requirements

Updated 10/19/16

To graduate from The Christ College of Nursing and Health Sciences, a student must have satisfied all completion requirements. These include having:

1. Satisfactorily completed all specific program requirements.
2. Achieved a minimum cumulative grade point average of 2.0 “C”.
3. Satisfied any applicable academic residency requirements.
4. Been certified as eligible for graduation by the Registrar.
5. Discharged all financial obligations to the College. This includes the return of clinical and parking access cards (e.g., RFID) or the fee for such cards.

Graduating students are expected to attend graduation ceremonies. The Chief Academic Officer must give permission for any exceptions.

Academic Honors

The College recognizes those graduating students who have demonstrated significant academic achievement. Academic honors are designated in the commencement program based upon the overall GPA at the end of the semester prior to the ceremony due to printing time of graduation documents. Academic honors for prospective RN-BSN graduates are based upon the 42 credits required to complete the program rather than overall GPA.

Students will be recognized with one of the following honorary designations:

- Summa Cum Laude 3.90 – 4.00 GPA
- Magna Cum Laude 3.70 – 3.89 GPA
- Cum Laude 3.50 – 3.69 GPA

Students’ Rights under FERPA

Students’ Rights under the Family Education Rights and Privacy Act (FERPA)

Updated 3/19/21

The Christ College of Nursing and Health Sciences abides by the Family Educational Rights and Privacy Act (FERPA) of 1974 when handling all student education records. TCC complies with FERPA as related to the maintenance, security and retention of student records. Release of student academic, financial and personal information will be made in strict compliance with FERPA regulations.

Please [click here to visit the Compliance Bridge Policy Portal](#) and search Family Educational Rights and Privacy Act.

Student Affairs

Last updated: August 15, 2022

The Christ College of Nursing offers exceptional student support.

Campus Safety and Parking

Safety and Security

The Christ College of Nursing and Health Sciences is dedicated to the safety of College students, faculty, and staff. The College works collaborative with the Christ Hospital Department of Safety and Security whose mission is to promote a safe and secure environment that is conducive to excellence in patient care. Safety and Security carries out this mission by deterring and preventing crime, educating the Hospital staff/employees in all aspects of crime prevention and survival awareness, enforcing Hospital rules, city ordinances and State of Ohio laws and investigating complaints, offense reports, auto accidents and any other unusual or suspicious activity on campus.

For more information about Safety and Security on the Campuses of The Christ College, please [click here to visit the Compliance Bridge Policy Portal](#) and search Campus Safety and Security.

Emergency Phone Numbers

Updated 8/28/17

- **Safety and Security 513-585-2222**
- **Cincinnati Police Department (District 4) 513-352-3576**

- **Cincinnati Fire/EMS 513-352-2381**
 - **The Christ Hospital Emergency Services 513-585-2235**
 - **Rape Crisis Center (24 hours) 513-381-5610**
 - **Poison Control 513-558-5111**
-

TCH Escort Service

Safety and Security offers an escort service anywhere on hospital property to assure safe travel. This service is available seven days a week. To reach the escort service, dial **513-585-5222** or extension **52222** from any Hospital or College phone.

Updated 10/31/15

Parking is available to students at an off-site designated area. The fee to park is \$200 per year (\$100 fall semester, \$100 spring semester, and no fee summer session). Authorized vehicles are issued a parking badge to use the facility.

Shuttle Bus Service

- Parking for Christ College students is provided at the Baldwin Building Garage located at 655 Eden Park Drive, Cincinnati, OH 45202.
- The TCHHN Safety and Security Department provides shuttle service between the Baldwin Garage and the College, Monday through Friday. A schedule of pick ups and drop offs will be communicated to students prior to the start of each semester. After hours and for emergencies students and staff can directly contact Safety and Security.

NOTE: Location of student parking is subject to change based on contracted services and construction.

Parking

Updated 10/31/15

Parking is available to students at an off-site designated area. The fee to park is published each academic year on the College's Tuition and Fees webpage at www.thechristcollege.edu/tuition-aid. Authorized vehicles are issued a parking tag to use the off-site designated area.

The TCHHN Safety and Security Department provides shuttle service between the off-site parking area(s) and the College, Monday through Friday. Two weeks prior to the start of each semester, a parking assignment and schedule of shuttle pickups and drop offs will be communicated to students who have purchased a parking pass. After hours and in the case of emergencies, students and staff can directly contact Safety and Security at 513-585-2222

For questions or concerns about parking, students should contact the Director of Business Services, Tim Ring at Timothy.Ring@TheChristCollege.edu.

Additional Parking

- Limited parking is available on public streets near campus. Vehicles parked in violation of the Cincinnati Parking Authority are subject to a motor vehicle infraction and towing at the owner's expense. The Christ College of Nursing and Health Sciences is not responsible for the safety or protection of motor vehicles or their contents, nor does it recommend parking on public streets
- Students enrolled in *eligible** evening classes and clinicals may be permitted to park in The Christ Hospital employee parking garage (P3), if space is available. Those students who park in the Hospital garage(s) without permission will be subject to tickets issued by The Christ Hospital Health Network's Safety and Security Department. These tickets should be paid to the Bursar by cash or check. Tickets unpaid at the end of the semester will result in a hold on registration.

*Eligible evening classes and clinicals will be defined and communicated to students prior to the start of each semester.

Vehicle Assistance

Safety and Security is available to assist stranded motorists with vehicle problems on Hospital property. For help, call 513-585-2222 or extension x52222 from any Hospital phone.

Posting Signs & Notices on Campus

Revised 8/19/15; Updated 8/17/17; 11/9/17

The main goal of posting signs on campus is to communicate information of importance to the student population, and to communicate information that is relevant to the entire institution. The posting of signs, notices, and paper communications within and upon The Christ College of Nursing and Health Sciences premises and building is restricted to those approved by the Dean of Student Affairs. Any signage without approval or placed on unapproved surfaces will be taken down. For more information about what postings may be posted on campus, and where, please contact the Dean of Student Affairs at Meghan.Hollowell@TheChristCollege.edu.

Department of Student Success

To better prepare students for academic and non-academic success, in addition to life-long learning, the Student Success Department provides social and educational programs grounded in core values, academic accommodations for qualified students, and academic advising.

Counseling Services

Students in need of personal counseling services for non-academic matters will be directed to contact IMPACT Student Life Assistance. IMPACT is a 24/7 resource designed to help students manage the demands associated with balancing school, work, daily living, family and relationship concerns. All IMPACT counselors are qualified masters/doctoral level professionals who can help students with issues such as:

- child-bearing concerns
- child and elder-care assistance
- marital difficulty
- work stress
- depression
- anxiety
- grief
- financial troubles
- alcohol and drug-related problems
- legal assistance

IMPACT's services are confidential and complimentary. Students who feel that they(or family members)

may benefit from these services, should contact their advisor.

Students may also contact the Department of Pastoral Services of The Christ Hospital. The chaplains in the department are ministers who are qualified through their training and experience to offer spiritual care to all people in The Christ Hospital. Their sensitivity to individual beliefs and knowledge of different religious practices enable these chaplains to meet people at the point of their need. Offices of the Department of Pastoral Services are located on the first floor of the Hospital, near the lobby, and are open weekdays from 8:30 AM – 5:00 PM. A chaplain is on call 24 hours a day, and a Hospital associate can aid you in reaching a chaplain at any time by calling (513) 585-2000.

Academic Advising

Each student is assigned an Academic Advisor upon matriculation. The Advisor's role is to work with each student to support their academic, professional, and interpersonal success. The Advisor will do this by helping each student set and achieve goals, navigate barriers to success, and leverage institutional resources. Any students with questions or concerns about their education plan or pathway to successful program completion should reach out to their Academic Advisor or the Director of Student Success, Evangelina Figueroa at Evangelina.Figueroa@TheChristCollege.edu.

Academic Accommodations

Updated 11/26/2018, 03/09/2020, 9/4/2020, 10/19/2020

The Christ College of Nursing and Health Sciences (the "College") is committed to students' equal access to programs, services and activities in accordance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act Amendments Act (ADAAA) of 2008. It is the College's policy to provide individuals with disabilities full and equal enjoyment of the services, facilities, and privileges of the College. The College does not discriminate on the basis of disability in its admission, recruitment, academics, housing, research, financial aid, counseling, employment assistance, and/or any other service, facility, or privilege available to students or potential students. Further, the College does not screen out, exclude, expel, limit, or otherwise discriminate against an individual seeking admission as a student, or an individual enrolled as a student, based on disability. The College promotes an environment of respect and support for individuals with disabilities.

Please [click here to visit the Compliance Bridge Policy Portal](#) and search Academic Accommodations.

The following people have been designated to handle specific inquiries regarding specific non-discrimination policies:

For inquiries related to disabilities, please contact

Brittany York, Student Success Center Coordinator. Office: B18. Telephone No.: (513) 585-4144.

Brittany.York@TheChristCollege.edu

Educational and Informational Technology

The College's Educational and Information Technology staff support a collaborative learning environment and student success by steering and managing the selection, implementation and assessment of educational technologies utilized by College and Network constituents

Blackboard Learning Management System

The College utilizes Blackboard Learn as its web-based Learning Management System (LMS). While the College offers some fully online courses, all courses use the LMS in some capacity (for online assessments, discussion forums, submission of assignments etc.). Each instructor maintains the freedom to use Blackboard as they deem appropriate. Blackboard can be accessed at thechristcollege.Blackboard.com or by way of the OneStop link on the College's website: www.thechristcollege.edu/onestop

SONIS Student Information System

Sonis is a student and faculty reference for registration, courses, schedules, grades, degree audit, billing, and personal information. Sonis can be accessed by going to <https://cnhssonis.jenzabarcloud.com>, Onestop at the college website or My Christ College Portal on the Blackboard login page at <https://thechristcollege.Blackboard.com>.

BYOD Technology Requirements, Recommendations and Support

Added 5/23/17, Edited 9/19/17, Updated 4/2019

Hardware and Software Requirements

Students entering all degree programs will be required to possess a Windows or Mac based laptop that complies with the technical requirements identified below. Laptops unable to meet hardware and software requirements are not acceptable for use. Public computers, Chromebooks, tablets and smartphones will not suffice as a primary device. Students experiencing financial barriers that prevent them from getting a computer to meet the below stated requirements should contact their Advisor.

- **Processor:** Intel i-series (No AMD processors)
- **RAM:** Minimum 4GB; 8 GB preferred. Memory directly affects computer performance when

running multiple applications at once.

- **Hard Drive:** Minimum 125GB Hard Drive. Free disk space is required for software installation and downloading books. Certain software components require installation for full functionality in online courses.
- **Sound – Video Recording:** Working speakers are required. Some courses will require a webcam and microphone, additionally. Course-specific technology requirements can be found in course syllabi.
- **Microsoft Office:** The web-based version of Office 365 will be provided to students, accessible via the College Computer Lab(s) and/or Citrix.
- **Wireless Network, On Campus:** When on campus, students have access to the Wi-Fi network CON-Student. For best results in connecting, students should have an 802.11ac WiFi adapter, or an 802.11n adapter with support for the 5 GHz frequency band. Student laptops are not permitted to be used on other TCHHN Wi-Fi networks or the TCHHN wired (Ethernet) network.
- **High-Speed Internet Connection, Off Campus:** For online learning activities completed off campus, DSL or cable is strongly recommended. A direct connection to a modem/router is also recommended for best results, when off campus. Dial up and satellite internet connections will not suffice for all online learning activities.
- **Plug-Ins:** The most recent versions of the following plug-ins are required for use in TCCNHS courses: Adobe Reader, JavaScript, Adobe Flash, and Adobe Shockwave. Mac and Windows users can download Video Lan Client (VLC) to play Windows Media files. Uncheck any additional offers prior to updating or installing the plug-ins listed above.
- **Operating System:** Windows 10 or macOS 10.12 or newer.
- **Virus Protection:** Students are required to have current antivirus protection installed and running on their laptops.

o For Windows 10 users Windows Defender is already installed. Sophos may be an alternative if something more robust is needed.

o For Mac users, Sophos is a highly regarded free antivirus program.

o For malware concerns Malwarebytes is recommended for Windows and Mac users. It does not run in the background, so a scan should be initiated on a regular basis (eg., daily/weekly/monthly) or if malware is suspected.

NOTES:

- Blackboard (Bb) is the Learning Management System for TCCNHS.
- Students should verify minimum requirements for Bb using the Blackboard Browser

Checker located on TCCNHS's Bb login page at <https://thechristcollege.blackboard.com/>

- Blackboard Collaborate is TCCNHS's web conferencing and virtual classroom tool. More information can be found at <https://en-us.help.blackboard.com/Collaborate/Ultra/Participant>

- Specific curricula for TCCNHS courses may require additional software purchases. These requirements will be provided in the course syllabi.
- The Plug-Ins and Virus Protection listed above can be easily accessed on the BYOD page in Blackboard.
- Students are expected to bring their laptops fully charged for classroom activities and must have administrator access (i.e., the ability to install software). Tips for maximizing battery life can be found on the BYOD page in Blackboard, and use of a portable charger is strongly recommended (more details, below). Testing periods can be lengthy (four hours or more), and while some charging stations are available in instructional spaces, they are limited. Faculty have no obligation to allow students to re-test or make up other classroom activities should a student's battery fail.
- No student will be denied admission to Christ College based on an inability to purchase a laptop. Financial aid funding may be available to assist students with their computer purchases.

College Technology Recommendations

Internet Browser Add-Ons:

AdBlock Plus: The AdBlock Plus add-on prevents annoying and potentially-malicious advertisements from appearing on frequently visited webpages, including Flash-based ads and popup ads. It can also be configured to block domains known to spread malware, protecting against viruses, Trojan horses, worms, spyware, and adware.

NoScript: The NoScript add-on blocks all scripts from running on a web page unless scripts are specifically permitted. Many kinds of malware are launched via scripts on webpages. These scripts can run in the background, and there may be no indication of an infection until the computer and its data have been compromised. NoScript may require an extra click here and there to set the permissions for various web pages, but it will serve as another line of defense to prevent infections.

All of these programs can be easily accessed on the Ed Tech page in Blackboard.

Portable Charger: A charger that is 30000 Milliamp Hours (mAh) or above, and compatible with the laptop's power ports. This will be especially important for use during testing periods.

Printer: Students who prefer to have printed rather than electronic documents, will need a printer that is compatible with their laptop. (On-site printing is also available to students.)

Technology Support

Educational and Information Technology staff will provide on-site support for student laptops only as it relates to use of TCCNHS programs such as Blackboard, Citrix, or e-books. This may include, but is not limited to guidance for installation, registration, use and troubleshooting problems. Tech Support does not

provide support for students' laptops with regard to installation or repair of hardware, installation or configuration of operating systems or third party software, and the removal of viruses and other malware. The rental/purchase, installation and maintenance of required laptop hardware and software are the responsibility of the student.

Christ College maintains no responsibility for supporting personal hardware or software. Any technical assistance does not infer any further technology responsibility or accountability to the user. Users needing troubleshooting assistance beyond TCCNHS system software (e.g., for slow response time) will be referred to a third party vendor. Educational and Information Technology staff do not support tablet device issues beyond those resulting from TCCNHS system software.

Computer Labs

The Christ College of Nursing and Health Sciences provides Computer Labs for student use, in rooms 232, The Den (first floor of Main Campus), the Student Lounge on B-Level at Main Campus, the Lobby at The Commons, B-24, and the Library (located on the first floor of the Christ Hospital building). Each Lab contains a networked laser printer for student use. Free Wi-Fi is also provided to students in the College and Hospital buildings.

Usage

Software installed on lab workstations should not be modified, copied or removed, and users are not permitted to install software on the workstations without permission of Ed Tech/IT staff. Workstations are not to be used for business unrelated to the College.

At no time should files of any sort be downloaded from the Internet. This includes toolbars, file converters, or application updates. All application updates will be managed by the Educational and Information Technology staff.

Maintenance

Hardware and software maintenance is performed routinely on computer lab workstations to ensure that all devices are functional and updated. At the end of each semester, the labs are cleaned and equipment is tested. Student files stored to the desktop are removed.

Etiquette

No eating or drinking is permitted in the Labs. Consideration of others working in the Labs is essential.

Acceptable Use Policy

Updated 5/22/2017, 2/25/2020

The use of technology resources creates and expands teaching and learning opportunities that support the efforts of the TCCNHS community to satisfy its mission and vision. Access to these resources is a privilege and use of them requires the acknowledgement and acceptance of specific responsibilities to ensure that the integrity and security of the systems not be compromised in any way.

Please [click here to visit the Compliance Bridge Policy Portal](#) and search Information Technology Acceptable Use Policy.

Student Accounts Office

The Student Accounts Office at The Christ College of Nursing and Health Sciences is responsible for student billing, revenue collection, refunds, and posting payments on student accounts. This office also oversees payment plans, financial aid refunds, the collection of past due tuition, and prepares billing statements to agencies that have authorized payment for student accounts. In addition, student loan, grant, and scholarship disbursement to student balances is the responsibility of this office.

Tuition and Fees

Updated 10/1/17; 4/16/18

Tuition and fees are established by The Christ College of Nursing and Health Sciences Board of Directors.

Current tuition and fees for each of the College's programs can be accessed at <https://www.thechristcollege.edu/cost-tuition/>

Fees are assessed during the course of study dependent upon the student's choice of program. The general categories of fees are:

- Health Fee
- Learning Resource/Registration and Technology Fee
- Student Activity Fee
- Graduation Fee
- NCLEX Review Course Fee
- Malpractice Insurance Fee
- Parking Fee
- Science Lab Fee
- Nursing Course Fee
- Nursing Skills Lab Fee

- Lost Student ID Badge Fee

All fees are non-refundable.

Payment of Tuition and Fees

Updated 1/11/16; 4/16/18; 10/25/21

A Billing Statement (tuition and fees bill) is prepared after registration is complete prior to each semester. Students can view their Billing Statement by logging into SONIS, which will display the charges and credits, including tuition, fees, financial aid, for a specific semester as a PDF document. Students can access their Billing Statement in SONIS by following the steps below:

1. Log into SONIS with your Student ID number and your Pin Number
 - a. If you forgot your Pin a 'I forgot my Pin' link is located under the Login button.
 - b. If this is your first-time logging into SONIS your password is your birthdate (MMDDYY)!
2. Click the "Financial" link on the left hand of the screen, and select "Billing"
3. Underneath the School Year and Semester is a link called "Click here to view statement"

It is the student's responsibility to routinely check their Billing Statement in SONIS to ensure their financial obligations are met by the specified due dates. Tuition and fees, along with other charges must be paid in full or the student must be enrolled in the Tuition Payment Plan by the published tuition and fees due date on the Academic Calendar in order to maintain continuous enrollment. There will be a \$30 returned payment fee if a payment is returned for any reason.

Ways to pay tuition and fees:

The Christ College utilizes Nelnet for online payments processing. The following payment methods are available on the Nelnet platform:

1. Automatic bank payment from a checking or savings account (ACH)
2. Credit or debit card (2.75% processing fee applies to all credit/debit card payments)

To access Nelnet:

1. Log in to SONIS; Select Financial then Billing; Click on the link to "Make a payment in Nelnet"
2. The student will have the option to 'Make a Payment' in full or '**Set up a Payment Plan**'

Check/Money Order –

If paying tuition in full at the beginning of the semester, students may also pay by check or money order.

Make checks/money orders payable to The Christ College of Nursing and Health Sciences. Include the student's name and student ID number on the check or money order.

- In person - Student Accounts Office, Room 130, Monday-Friday 8:00 am – 3:30 pm.
- Mail - Check/money order payments may be mailed to the TCCNHS address listed below:

The Christ College of Nursing and Health Sciences

Tuition Payment Plan

Updated 4/16/18; 10/25/21

The Tuition Payment Plan is an option for those who want to spread their balance due over the course of the semester.

The plan consists of four (4) payments per semester

Students who choose to sign up for a payment plan must sign up and pay their first installment by the tuition due date. All payment plans are managed through the Nelnet payments platform. The payment plan has a nonrefundable enrollment fee of \$25 per semester enrolled. Once enrolled, regularly scheduled payments will process on the 5th of each month for the duration of the semester. Payment Plans are semester specific; therefore, the student must enroll for each semester in which the student wishes to participate.

Financial Obligations

Updated 1/11/16; 4/16/18

Students are responsible for payment of all costs associated with attending The Christ College of Nursing and Health Sciences by the published due date on the Academic Calendar. Application for financial assistance does not negate this responsibility. A student's financial obligation for each semester must be met to remain enrolled at the College, and to register for a course in a subsequent session or semester. Unusual circumstances or a financial crisis should be reported to the Student Account's Office immediately so that the College can assist the student in planning or determining possible alternatives. Students who fail to meet their financial obligations cannot register for courses and may be subject to late fees (see Late Fee Policy). If the financial obligation is not met within the designated period, the student will be referred to the Dean of Student Affairs or designee, which may result in Blackboard access being disabled, withdrawal from that semester's course(s) and/or dismissal from the College until all financial obligations have been met. In addition, students are required to meet all financial obligations before grades, transcripts or degrees

will be issued.

See Late Payment Policy regarding late fees and Adding Class after the Payment Deadline regarding adding a course(s) after being dropped for non-payment.

Former students are required to meet all financial obligations before grades, transcripts or degrees will be issued. Any former student that owes a debt to the College cannot re-apply to the College.

Late Payment Policy

Updated 1/11/16; 4/16/18; 10/25/21

It is the responsibility of each student to frequently access his or her account in SONIS and be aware of published payment due dates on the Academic Calendar. All student accounts are to be paid-in-full or a student must enroll in the Tuition Payment Plan by the published Tuition and Fees due date for that semester.

If payment is not received by the due date, the student will be subject to a \$25 per day late fee. The \$25 per day late fee will accrue during the designated period of five (5) business days or until all financial obligations (including late fees) have been met. If the financial obligations (late fees included) are not met after five (5) business days from the agreed due date the student's account will be referred to the Dean, Student Affairs, and may result in Blackboard access being disabled, withdrawal from course(s) and/or dismissal from the college.

See adding a class after the Payment deadline regarding adding a course(s) after being dropped for non-payment.

Adding a Class after the Payment Deadline

Updated 1/11/16; 4/16/18; 10/25/21

Students may add a class after the published tuition payment due date. Payment for the additional class will be due within five (5) business days of adding the course or by the published 'Last Day for 100% Refund' for the session the course is in. Registration is not complete until payment is made with the Student Accounts Office. If the student is already enrolled in the Tuition Payment Plan, remaining payments will automatically be adjusted to reflect the additional charges.

A student can add course(s) after they were dropped from course(s) because payment was not received by the Tuition and Fees due date or during the Late Payment designated period. The student would contact the Registrar's Office to enroll in the course(s), and contact the Student Accounts Office to make a full payment (plus late fees), or set up a Tuition Payment Plan (including the late fees). Registration is not complete until payment is made with the Student Accounts Office. The Student Accounts Office and Registrar's Office cannot promise the student will have the same class schedule as they had prior to being dropped for non-payment.

Returned Check Policy

Updated 10/25/21

A \$30.00 fee will be charged for any check returned. More than two (2) returned checks will result in immediate suspension of your right to pay by check.

Course Withdrawal Refund Policy

Updated 4/16/18

If dropping/withdrawing from a single course or from the College, a student should notify their Academic Advisor about their intention. The student should contact the Financial Aid Office (if they are using Aid) and the Student Accounts Office about how dropping course(s) will impact their financial obligations. If the student wishes to proceed with the withdrawal the Academic Advisor will notify the Registrar to drop the course. The withdrawal is complete when the Registrar has received notification from the Academic Advisor and has processed the grade and an effective last date of attendance. Students who withdraw from course(s) or the College are responsible for any outstanding financial obligations at the time of withdrawal. If a balance is due the student can pay in full or make payment arrangements with the Student Accounts Office. See Financial Obligation policy regarding the release of grades and transcripts when owing a debt to the College.

A withdrawal refund is not made unless the student has followed the withdrawal policy. Students may be eligible for a withdrawal refund once the course(s) have been officially dropped/withdrawn. Fees are non-refundable. Refer to the Refund Schedule below for the percentage of tuition refund a student is eligible to receive based on both the length of the course and the official drop/withdraw date filed in the Registration and Records Office.

Notification to an individual instructor or failure to attend class does not constitute an official withdrawal. An effective date of withdrawal and clarification of withdrawal from a course(s) or program at the College is required. An exit interview with the Financial Aid Office is required for students receiving financial aid who completely withdrawal from the College.

Student Policies

Student Complaints

Updated 01/19/2021

The Christ College of Nursing and Health Sciences provides several means by which student complaints may be addressed. In all cases, students are advised to put their concerns in writing and carefully document the events that led to the complaint.

Complaints may be academic or non-academic in nature. A complaint against a College employee (faculty or staff) or representative arises when a student believes he or she has been subjected to inappropriate behavior by a department or College representative acting within their role or duty. A complaint of personal misconduct by a College employee arises when a student believes he or she is the subject of inappropriate behavior outside of the employee's role and duties within the College. Complaints may also arise from unfulfilled expectations related to college processes; for example, advising, academic accommodations, or maintaining a safe environment.

Please [click here](#) to visit the [Compliance Bridge Policy Portal](#) and search Complaint Policy.

Grievance and Fair Treatment Procedures

Updated 03/19/2021

The purpose of this policy is to protect the student's right to fair treatment in academic or non-academic matters. When a student believes there has been inequitable application of a policy, the matter may qualify for

the student to initiate his or her due process rights via the College's stated grievance procedures. The Christ College of Nursing and Health Sciences provides a grievance procedure whereby students may express their grievances with the assurance there will be a complete, impartial, and prompt attempt to resolve the grievance.

Please [click here](#) to visit the [Compliance Bridge Policy Portal](#) and search Grievance and Fair Treatment.

Behaviors of Accountability

Students at The Christ College of Nursing and Health Sciences, will be expected to demonstrate the following behaviors related to accountability:

1. Report to class and clinical on time.
2. Turn in work (assignments) on time.
3. Follow the College and program attendance policies.
4. Exhibit honesty.
5. Refrain from cheating or stealing.
6. Refrain from repeating unacceptable behavior(s).
7. Admit errors as soon as discovered.
8. Seek assistance as needed from appropriate person(s) and/or resources.
9. Demonstrate responsibility for previous and ongoing learning (i.e., reviewing materials/notes from previous classes; completing assigned readings before coming to class, etc.).
10. Refrain from engaging in destructive criticism/communication/discussions.
11. Follow the policies of institutions that you visit as a student of The Christ College of Nursing and Health Sciences.
12. Treat self and others with respect.
13. Report unethical behaviors in a timely manner and unsafe conditions immediately.
14. Adhere to the College Code of Conduct, outlined below.

Student Code of Conduct

The Christ College of Nursing and Health Sciences (TCC) expects students to conduct themselves in a manner that reflects respect for others as well as themselves. The administration of TCC may suspend or terminate a student for incidences in which documented proof indicates that the behavior is inconsistent with the responsibilities of citizenship or the healthcare profession. TCC expects the conduct of its students on and off campus to be in accordance with the Code of Conduct.

Please [click here](#) to visit the [Compliance Bridge Policy Portal](#) and search Student Code of Conduct policy.

Student Bill of Rights and Responsibilities

Each student is responsible for being knowledgeable of and acting in accordance with the Code of Conduct and Behaviors of Accountability.

1. Students are encouraged to develop the capacity for critical judgment and engage in a sustained and independent search for truth.
2. The freedom to teach and the freedom to learn are inseparable facets of academic freedom: students must exercise their freedom in a responsible and respectful manner.
3. Each institution has a duty to develop policies and procedures that provide and safeguard the students' freedom to learn.
4. Under no circumstances will a student be discriminated against on the basis of race, color, creed, national origin, ethnicity, age, gender, marital status, sexual orientation, veteran status, disability, or economic status.
5. Students are free to take reasoned exception to the data or views offered in any course of study and to reserve judgment about matters of opinion, but they are responsible for learning the content of any course of study for which they are enrolled.
6. Students have a right to protection through orderly procedures against prejudiced or capricious academic evaluation, but they are responsible for maintaining standards of academic performance established for each course in which they are enrolled.
7. Information about student views, beliefs, political ideation, or sexual orientation which instructors acquire in the course of their work or otherwise, should be considered confidential and not released without the knowledge or consent of the student, and should not be used as a basis of evaluation.
8. The College has a carefully considered policy as to the information which should be a part of a student's permanent educational record and as to the conditions of this disclosure.
9. Students and student organizations are free to examine and discuss all questions of interest to them, and to express opinions publicly and privately.
10. Students are allowed to invite and to hear any person of their own choosing within the institution's acceptable realm, thereby taking the responsibility of furthering their education.
11. The student body has clearly defined means to participate in the formulation and application of institutional policy affecting academic and student affairs, e.g., through Student Congress membership or representation on faculty committees.
12. The institution has an obligation to clarify those standards of behavior which it considers essential to its educational mission, its community life, or its objectives and philosophy.
13. Disciplinary proceedings are instituted for violations of standards of conduct. It is the responsibility of the student to know these regulations. Grievance procedures are available for every student.
14. As citizens and members of an academic community, students have the same freedoms and obligations as the other members of the community.
15. Students have the right to belong, or refuse to belong, to any organization of their choice.
16. Students have the right to personal privacy to the extent that the welfare and property of others are

respected.

17. Adequate safety precautions are provided by the College.
18. Students have a clear mechanism for input into the evaluation of faculty.

Copyright

E-mail Communication

College Responsibilities

1. The College is not responsible for any difficulties that may occur in the proper or timely transmission access of e-mail forwarded to an unofficial e-mail address, and any such problems will not absolve students of their responsibility to know, respond, and comply with the content of official communications sent to the students' College e-mail address.
2. All use of e-mail in regards to content, disclosure, and access of student educational records to communicate with students is protected by the Family Educational Rights to Privacy Act (FERPA) guidelines including all applicable Christ College policies and procedures. The College maintains confidentiality of student educational records until prior written consent to disclose is given by the student.
3. According to Federal Privacy Laws, all College students and employees using the College's official student e-mail accounts must comply, adhere to, and maintain all guidelines and confidentiality of all student educational records in regard to compliance with Family Educational Rights to Privacy Act of 1974 (FERPA).
4. The College's internal e-mail must be utilized for all e-mail communications outside of the classroom between student and faculty.

Student Responsibilities

1. It is the student's responsibility to open and read The Christ College of Nursing and Health Sciences official student e-mails.
2. The College expects all current students will receive, open, read, and act or respond to all official College e-mails sent in a timely manner, within 2 business days.
3. Students have the responsibility to recognize and expect certain College communications may be time-critical such as security alerts, campus closures, IT security alerts, financial aid notifications,

registration transactions, faculty instruction, or messaging including class status.

4. Students Should Know: Failure to check messages or receive messages due to full mailboxes, auto forwarded e-mail, error in forwarding e-mail, e-mail returned to the College with “mailbox full” or “user unknown” are not acceptable causes for missing College communications sent by e-mail.
5. Students are responsible for maintaining their College e-mail account in order to receive official College communications.
6. The College is not responsible for any difficulties that may occur in the proper or timely transmission or access of e-mail forwarded to an unofficial e-mail address, and any such problems will not absolve students of their responsibility to know, respond, or comply with the content of official communications sent to the student’s College e-mail address.

Etiquette

1. Treat e-mail messages as any professional communication.
2. Begin by addressing the receiver by the proper title, i.e., Professor or Doctor.
3. Keep messages short and courteous.
4. Write complete sentences using correct spelling, proper grammar, and punctuation.
5. State the reason for writing in the subject line.
6. Do not write in all CAPS—it appears that the sender is screaming and is also considered rude. Use only blue or black Times New Roman or Arial font.
7. Remember that~~—~~the message is an e-mail and~~,~~ not a text. Avoid the use of emoticons (smiley faces). While their use may be appropriate in informal messages, they are not commonly acceptable in professional communications.
8. Read the message carefully and spell check before you hit send.
9. Never include any confidential information (e.g., passwords) in an e-mail message.

Social Media Guidelines

Social media is internet-based platforms that are highly accessible to others where individuals can generate content and engage in social interactions. Social media platforms are constantly evolving and include, but are not limited to, Twitter, Facebook, blogs, Snapchat, Instagram, YouTube, LinkedIn, etc.

Students at TCCNHS are expected to adhere to the following social media guidelines:

- Use common sense! Remember that little, if anything, is private when posted on social media and the poster is ultimately responsible for what is posted and any consequences that may arise from such postings, whether such consequences are in the personal, professional, or academic realm.
- Think first, post second. Any conduct that could get a student in trouble with the College can also result in disciplinary action when social media is being utilized. For example, threatening or sexually harassing a classmate via Twitter or Facebook can subject a student to College discipline just as if s/he

engaged in such conduct in person.

- Protect confidential, sensitive, and proprietary information. HIPAA guidelines must be followed and students must avoid posting or otherwise disseminating protected health information or other identifiable information related to patients in clinical rotations.
- Respect copyright and other intellectual property rights of others.
- Do not use the College's logos without prior written permission.
- Do not use the College's name to promote a product, cause, opinion, business, or political party or candidate.
- When identifying as a student of TCC, students should avoid claiming or implying they are speaking on behalf of the College.
- Cyberbullying and cyberstalking will not be tolerated at TCC.

Violations of these guidelines will result in a review of the incident by College officials and may include action under appropriate College discipline processes.

Corrective action may involve a verbal or written warning, suspension, dismissal and/or revocation of computer privileges at TCC.

Disciplinary action for conduct that involves social media and that also violates other College policies is not precluded by these guidelines.

Student Governance

Updated 5/30/17

Article IX. A. Purpose of the Student Congress

The purpose of the Student Congress is to maintain a spirit of cooperation between the student body and faculty; to improve campus life and promote a sense of community; and to represent the student body in matters that involve faculty and administration.

Article IX. B. Functions of the Student Congress

Based on the purpose of Student Congress, the core functions include:

1. Promote a sense of community within the College, specifically among students.
2. Provide learning and service opportunities.
3. Provide means for communication within the student body.
4. Advocate for the needs and interests of the student body.
5. Organize fundraising activities.
6. Support and promote the mission of the College.

Article IX. C. Membership

All students of The Christ College of Nursing and Health Sciences are general members of Student Congress and are encouraged to attend meetings. Student Congress Officers are elected by their peers.

1. Nominations for Officers will be accepted during Spring semester, when the call for nominations is announced via email by the Student Congress Faculty/Staff Advisors in February.
2. Students will be permitted to nominate other students or to self-nominate for Officer positions.
3. To be eligible for an Officer position, students must have completed one full semester at the College.
4. Have an overall GPA of 2.5.
5. Students nominated for Officer positions, should they accept the nomination, will be given a designated period to campaign prior to the election.
6. The newly elected Officers will attend a joint meeting of new officers and current officers in April and will assume office in May following elections and will serve for a one-year term.

IX. E. Requirements of Student Congress Officers

1. In order to maintain their position as Officers, students must:
 - a. Maintain at least a 2.5 GPA. The Student Congress Faculty/Staff Advisors will check the GPAs of all Officers when final grades are posted each semester. Any Officer who does not maintain at least a 2.5 GPA will be suspended from his or her position until the GPA recovers to 2.5 or higher.
 - b. Maintain an active, positive interest in the well-being of The Christ College community.
 - c. Communicate with peers, administration, faculty, and staff in a professional manner.
 - i. A response to personal emails, and group emails, is expected within 48 business hours.
 - d. Attend Student Congress and College governance meetings as assigned.
 - i. If unable to attend Student Congress meetings, a written update on the status of all current projects must be provided to the Chair via e-mail in advance of the start of the meeting.
 - ii. If unable to attend College governance meetings as assigned, the Chair and Vice Chair must be informed in advance so that an alternate Officer may be found to attend instead.
 - e. Serve the student body and the College in a professional manner.
 - f. Effectively balance school and personal activities and give the appropriate amount of time necessary to fulfill Student Congress duties. If unable to fulfill assigned duties, Officers are responsible for requesting assistance from the rest of the Board so that duties are not neglected.
 - g. Only one, the Chair or Vice Chair, can be in their senior year. This will ensure both are not serving at the same time while in their last year of school.

1. The Officers of the Student Congress Board include:

- a. Chair
- b. Vice Chair
- c. Secretary
- d. Social and Community Activities Chair(s) (Up to three students can serve as this role)
- e. Fundraising Chair
- f. Diversity Chair
- g. Educational Chair

- 1. Students may hold only one Officer position on Student Congress at a time. Over the course of their time at the College, they may hold multiple positions if nominated and elected.

Students elected to Student Congress Officer positions are not permitted to hold an Officer position in any other student organization.

- 1. In the event that an Officer steps down from office or becomes ineligible to serve, the remaining Officers will be responsible for filling the vacancy. The student chosen to fill the vacancy will be subject to Faculty/Staff Advisor approval.

Article IX. F. Duties of Student Congress Officers

- 1. Chair
 - a. Represent the student body as a member of the Delegate Council.
 - b. May serve only one year as chair.
 - c. Will set the meetings dates for each semester. Meetings dates will be sent to the Faculty/Staff Advisors no later than August for Fall semester and November for Spring semester.
 - d. Construct and distribute agendas for Student Congress meetings.
 - e. Preside over Student Congress meetings.
 - f. Appoint an acting Secretary to document meeting minutes, if the secretary is not present at the meeting.
 - g. Cast the deciding vote in the case of a tie.
 - h. Appoint ad-hoc committees as needed to ensure the proper conduct of the business of Student Congress.
 - i. Follow up with the other Student Congress Officers to assure completion of projects and fulfillment of duties, recruiting additional assistance as needed.
 - j. Collaborate with the Faculty/Staff Advisors on the planning and implementation of Student Congress

ideas and proposals.

k. Expedite Student Congress business, considering the rights of all members.

l. Invite all students, faculty, and staff to participate in activities of Student Congress, when appropriate.

m. Work with the Student Congress Officers and Faculty/Staff Advisors in planning the annual financial budget.

1. Vice Chair

a. Represent the student body at Delegate Council meetings in the absence of the Student Congress Chair.

b. Attend monthly Student Congress meetings. .

c. Assist the Chair in carrying out Student Congress functions, preside over meetings in the absence of the Chair, and provide additional leadership as able.

d. Serve on special ad-hoc committees within Student Congress as needed.

e. Collaborate with Student Congress Faculty/Staff Advisors, Officers, and other appropriate individuals when planning special events.

f. Publish a newsletter twice a year, each semester (by the end of August and January), informing students, faculty, and staff of upcoming Student Congress activities and events.

g. Work with the Student Congress Chair, Officers, and Faculty/Staff Advisors in planning the annual financial budget.

1. Secretary

a. Attend monthly Student Congress meetings. If unable to attend a meeting, provide a written update to the Chair on the status of all current projects.

b. Keep accurate minutes and attendance at all Student Congress meetings.

c. Distribute completed minutes via e-mail for review by the Officers and the Faculty/Staff Advisors before the next meeting.

d. Bring a hard copy of approved minutes to each meeting to be signed by the Chair and Secretary. Give signed meeting minutes to the Faculty/Staff Advisor.

e. Faculty/Staff Advisors will place the approved minutes on the College share drive and provide a hard copy to Cheryl Boone.

f. Notify the Chair in advance if unable to attend meetings, so an acting Secretary can be appointed.

g. Have the Student Congress By-Laws and any other pertinent information available at each meeting.

- h. Serve on special ad-hoc committees within Student Congress.
- i. Take responsibility for removing all outdated flyers, signs, and newsletters around the College building on a monthly basis.
 - 1. Social Activities Chair
 - a. Attend monthly Student Congress meetings. If unable to attend a meeting, provide a written update to the Chair on the status of all current projects.
 - b. Organize committee(s) of Student Congress Officers and other students to help with Social and Community Activities, and serve as the chair of said committee(s). As chair, arrange and plan activities/events focused on building community among the student body, faculty, and staff. The following are the required events:
 - 1. August- will work with other student groups and Student Success for a welcome back event
 - 2. September - Student Congress events
 - 3. December- will chair the Adopt a Family event and work with the other student groups and the Faculty and Staff of the College for successful implementation.
 - 4. January - Student Congress events
 - 5. April- will work with other student groups for an end-of-year event
 - c. May arrange more College wide events in addition to the above assignments.
 - d. Present ideas and detailed reports, including estimated budget, at monthly meetings in advance of any proposed activities/events.
 - e. Collaborate with the Faculty/Staff Advisors on the planning and implementation of proposed activities.
 - i. Faculty/Staff Advisor will complete the Purchase Approval Form (PAF) and submit to the Administrative Assistant of Arts and Sciences for final approval and issuance of a check or for record of reimbursement of funds.
 - ii. Send the flyer to advertise the event to Faculty/Staff Advisor for approval and printing.
 - iii. Take the approved flyers and hang in appropriate places in the College, in alignment with the College's policy on signage.
 - f. Provide information on planned events to the Vice Chair for inclusion in the newsletter (by the beginning of August and January).
 - g. Publicize planned events throughout the College building with flyers, signs, etc. in alignment with the College's policy on signage.
 - h. Serve on special ad-hoc committees within Student Congress as needed.

1. Fundraising Chair

- a. Attend monthly Student Congress meetings. If unable to attend a meeting, provide a written update to the Chair on the status of all current projects.
- b. Organize fundraising efforts designed to help raise money for Student Congress activities and events, convening appropriate committee(s) as needed to plan and implement fundraising events (at least two per semester).
- c. Brainstorm potential fundraising efforts and present proposals at Student Congress meetings.
- d. Work collaboratively with advisor(s) for all TCCNHS merchandise orders. Will have at least two sales each semester on a variety of days. Merchandise should be available for evening classes for at least one sale per semester.
- e. Coordinate all sale events.
- f. Submit the idea approved by Student Congress Officers to the Faculty/Staff Advisors
 1. Faculty/Staff Advisor will complete the PAF and submit to the Administrative Assistant of Arts and Sciences for final approval and issuance of a check or for record of reimbursement of funds.
 2. Fundraising Chair will work collaboratively with advisor(s) to place the order with an approved vendor
 3. Fundraising Chair will work collaboratively with advisor(s) obtain the completed merchandise from the vendor, record the inventory, and organize and publicize merchandise sales College-wide.
 4. Send the flyer to advertise the sales to Faculty/Staff Advisor for approval and printing.
 5. Will take the approved flyers and hang in appropriate places in the College, in alignment with the College's policy on signage.
- g. Organize and maintain an accurate inventory of all TCCNHS merchandise ordered, reporting a summary at monthly meetings. An inventory sheet will be maintained and stored in the inventory closet.
- h. Post a current pricing list in the inventory closet for easy access for sales.
- i. Report overall progress of the planning and implementation of fundraising efforts at monthly meetings.
- j. Include all students, faculty, staff, and alumni in Student Congress fundraising efforts, where appropriate.
- k. Provide information on planned events to the Vice Chair for inclusion in the newsletter (by the beginning of August and January).
- l. Collaborate with the Faculty/Staff Advisors and Student Congress Officers, as needed, on the planning and implementation of proposed fundraising activities.
- m. Serve on special ad-hoc committees within Student Congress as needed.

1. Student Diversity Ambassador

- a. Attend monthly Student Congress meetings. If unable to attend a meeting, provide a written update to the Chair on the status of all current projects.
- b. Serve as a student liaison between Diversity and Inclusion Committee and the students at the College.
- c. Attend at least three (3) Diversity and Inclusion Committee meetings per year.
- d. In collaboration with the Social Chair, plan and coordinate at least one student event focused on Diversity and Inclusion each year.
- e. Report activities of the Diversity and Inclusion Committee to the Student Congress.
- f. Provide information on planned events and updates from the Diversity and Inclusion Committee to the Vice Chair for inclusion in the newsletter (by the beginning of August and January).
- g. Serve on special ad-hoc committees within Student Congress as needed.

1. Educational Chair

- a. Attend monthly Student Congress meetings. If unable to attend a meeting, provide a written update to the Chair on the status of all current projects.
- b. Organize committee(s) of Student Congress Officers and other students to help with Educational Activities, and serve as the chair of said committee(s). As chair, sponsor, arrange and plan activities/events focused on building community among educational opportunities for the student body. The following are the required events:

1. Student Success Workshops (Science, Math and Writing workshops)
2. Evolve Super User

Optional Events:

1. Kaplan NCLEX Success free workshops
2. Kaplan NCLEX Success Courses hosted at TCCNHS

- c. May arrange more College wide events in addition to the above assignments based on the student's needs and interested as it relates to education and educational success at the College.
- d. Present ideas and detailed reports, including estimated budget, at monthly meetings in advance of any proposed activities/events.
- e. Collaborate with the Faculty/Staff Advisors on the planning and implementation of proposed activities.
- i. Faculty/Staff Advisor will complete the Purchase Approval Form (PAF) and submit to the Administrative Assistant of Arts and Sciences for final approval and issuance of a check or for record of reimbursement of

funds.

ii. Send the flyer to advertise the event to Faculty/Staff Advisor for approval and printing.

iii. Take the approved flyers and hang in appropriate places in the College, in alignment with the College's policy on signage.

f. Provide information on planned events to the Vice Chair for inclusion in the newsletter (by the beginning of August and January).

g. Publicize planned events throughout the College building with flyers, signs, etc. in alignment with the College's policy on signage.

h. Serve on special ad-hoc committees within Student Congress as needed.

Article IX. G. Meetings

Meetings will be held monthly and as deemed necessary. A meeting calendar will be completed by the Student Congress Officers no later than August for Fall semester meetings and November for Spring semester meetings. Meetings can be called by the Chair or by a Faculty/Staff Advisor and may be virtual (held via conference call or e-mail), if needed.

Article IX. H. Attendance and Voting

Meeting attendance for Officers is mandatory. If unable to attend a meeting, then a written update must be provided to the Chair in advance. An elected Officer of Student Congress who is unable to be present at three (3) meetings per academic year and fails to provide a written update for every absence is deemed to have resigned their office. A letter will be sent to the absent Officer outlining the details of forfeiting the position. This forfeiture letter will typically be sent by the Chair but may be sent by another Officer as appointed by the Faculty/Staff Advisors, if needed. If an Officer resigns, the Student Congress Officers and Advisory Board will elect a new student by majority vote to fill the unexpired term.

Meeting attendance for general student members is voluntary. All students, as general members of Student Congress, are invited to attend meetings. General student members are voting members of Student Congress and are invited to join the Officers in voting on matters brought before the Student Congress Board for approval.

Article IX. I. Faculty/Staff Advisors

At least two faculty members or one faculty member and one professional staff member will together serve as the Student Congress Faculty/Staff Advisors. Faculty/Staff Advisors are responsible for guiding, coaching, and providing support to the Student Congress throughout the academic year. The Faculty/Staff Advisors will:

1. Organize and coordinate the annual nomination and voting process for new Officers.
2. Collaborate with the Officers on all proposed Student Congress projects and business transactions,

contact members of administration when necessary, and oversee the submission of all necessary paperwork for project completion.

3. Attend Student Congress meetings as able.
4. Approve, print and have stamped all flyers to be posted at the College.
5. Oversee the financial budget and business of Student Congress, in collaboration with the entire Board and the Administrative Assistant, Arts & Sciences.
6. Submit all PAFs to Sandy Haungs.
7. Post all approved and signed meeting minutes to the College shared drive and provide a hard copy to Cheryl Boone.
8. Post all Student Congress events on the Blackboard Institutional Calendar.
9. Manage the ordering of all fundraising merchandise.
10. Communicate to all list serves on behalf of Student Congress.
11. Submit the summative yearly report to the Institutional Effectiveness Council.

Article IX. J. Amendments

This Student Congress constitution may be amended by majority vote of the Student Congress Officers.

Article IX. K. Student Congress Money Making Projects

All projects are subject to the discretion of the Faculty/Staff Advisors and the policies of The Christ College of Nursing and Health Sciences.

Creation of New Student Club and Organizations

Students are encouraged to initiate the creation of clubs and organizations that can help them develop the leadership skills that will benefit them in their professional endeavors and that can help create a culture of student engagement throughout the College.

All organizations that are created by students must:

Be aligned with the vision, mission, and the core values of the College.

All organizations that are created by students must adhere to the College's non-discrimination policy as stated in the College Catalog.

Adhere to the College rules and regulations as outlined in the College Catalog, individual program handbooks, and all other sources of policy within the College.

Operate under the 501-c-3 status of the College, and shall not be separately incorporated.

Identify at least one member of the faculty, administration, or staff to serve as the group's moderator.

If a chapter of a national or regional organization, the College club or organization must abide by the charter of said organization.

Abide by the College's policies concerning fund raising and financial management.

Procedure for Establishing a New College Club or Organization

Updated 10/17/15

1. Students interested in establishing a new club or organization first should meet with the Dean of Student Affairs to discuss their plans. The Dean of Student Affairs will then provide the students with a Proposal for a New Student Organization (PNSO).
2. Students must complete the PNSO and any requested documentation. If part of a national, international, regional, or professional organization, all requested documentation about those groups must be submitted.
3. Students will submit the completed PNSO to the Dean of Student Affairs within 90 days of receipt of the PNSO.
4. The Dean of Student Affairs will review the PNSO and consult with the College's administration, if necessary.
5. The Dean of Student Affairs will make a decision about the creation of the new organization and will then communicate the decision to the students who presented the proposal.
6. Upon approval, the student may begin to establish the new organization.

Procedures for Health Insurance, Background Checks, Drug Testing, and Student Health Screenings and Immunization Records

Health Insurance

Students enrolled in the College are required to carry health insurance and provide proof of current personal health insurance coverage to TCCNHS. A student may not participate in any course without meeting these requirements. Students who do not comply will not be allowed to enroll or continue enrollment at The Christ College of Nursing and Health Sciences.

Background Check Policy

The Christ College of Nursing and Health Sciences has secured the services of Corporate Screening, a straightforward, integrated, online process for managing and tracking results from the background check. The collection of this data is conducted by a third party to ensure privacy. Students have electronic access to their documents and the ability to provide access to the College of Nursing, practicum clinical agencies and to employers.

The results of prior background checks and drug tests that a student received for reasons unrelated to the College are not acceptable for purposes of these policies.

Background checks are to be initiated 90 days (3 months) prior to the beginning of the semester.

The purpose of this background check policy is to ensure that TCCNHS is preparing students who will be qualified to enter the nursing field. All new students entering the College must undergo a criminal background check as a condition of enrollment. All returning students must submit and satisfactorily complete an annual background check as a condition of continuing enrollment at the College. Clinical agencies may require additional background checks. Clinical agencies, in their sole discretion, have the authority to disallow a student from being placed at their site based on negative information in a background check. Not being placed, for whatever reason, will result in the student being unable to complete the clinical component of his/her program and, thus, unable to successfully complete his/her course of study at TCCNHS.

The Ohio Board of Nursing (OBN) is prohibited from issuing a nursing license to people who have pled guilty to, been convicted of, or have a judicial finding of guilt for one of the following offenses: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, aggravated robbery, aggravated burglary, sexual battery, gross sexual imposition, aggravated arson, or a substantially similar law of another state. Therefore, a new student will have his/her conditional acceptance to TCCNHS automatically revoked if one of these crimes appears on a criminal background check. A continuing student will be automatically dismissed from TCCNHS if one of these crimes appears on a background check. Pending charges for one of these crimes will also result in revocation or dismissal.

OBN also has the authority to deny licensure to people who have pled guilty to, been convicted of, have a judicial finding of guilt of, have a judicial finding resulting from a plea of no contest to, or a judicial finding of eligibility for intervention in lieu of conviction for any of the following: (1) any felony (that is not an absolute bar as described in the previous paragraph); (2) a crime involving gross immorality or moral turpitude; (3) a misdemeanor drug law violation; or (4) a misdemeanor in the course of practice. As such, if a crime that falls into one of these four categories, or any other crimes or pending charges (excluding minor infractions or violations such as speeding, not wearing a seatbelt, fishing without a license), appear on a background check, a student may have his/her conditional acceptance revoked or be dismissed from the program. In these circumstances, the College will have discussions with the clinical placement sites that it has affiliation agreements with to determine if the student will be able to be placed at those locations notwithstanding the negative information on the background check. If no clinical agency agrees to accept the student for a clinical placement, the student will have his/her conditional acceptance revoked or will be dismissed from the College. In some situations, and prior to talking with the clinical placement sites, the College may also ask the student for more information regarding the situation that led to the negative information appearing on his/her background check.

If a student with negative information on a background check is allowed to enroll or continue his/her program of study at TCCNHS, he/she must understand that, despite being allowed to enroll or continue, the College cannot make any promises or guarantees regarding the student's ability to obtain licensure from the OBN or employment in the nursing field post-graduation. College faculty and staff will not provide

advice on a student's ability to obtain licensure or employment notwithstanding an adverse background check, and students should not rely on any general information provided by College personnel in that regard. Students allowed to enroll or continue despite negative information on a background check will be required to sign an acknowledgement that they understand the information in this paragraph.

New students who are having their conditional acceptance revoked or current students who are being dismissed due to negative information on a background check will be notified of such in writing.

Current students have an ongoing duty to report to the College criminal convictions and pending charges that occur while they are enrolled but did not appear on the most recent background check that was performed. Such crimes or pending charges may result in non-placement and/or dismissal.

Drug Testing

Drug testing is required by the College for all students as a condition of enrollment. Failure to comply or achieve a satisfactory outcome will result in the student's admission offer being rescinded, and attempts to re-apply to the College in the future will not be considered. Students may be drug tested any time due to "reasonable suspicion". Circumstances which constitute reasonable suspicion include, but are not limited to, physiological signs of possible impairment from drugs or a pattern of abnormal behavior. Clinical agencies may require additional drug tests prior to beginning clinical.

Refusal to permit testing will be an automatic dismissal from the College. If the student fails a drug screen and cannot produce valid prescription documentation that is reviewed and confirmed by Employee Health, the student will be automatically dismissed from the College. Two (2) dilute drug tests will constitute a failed drug test. Students who are dismissed from the College due to a failed drug test will not be permitted to reapply to the College. Students will be notified in writing by the Associate Dean of Nursing of the failed drug test.

Vaccination and Health Requirements

Updated 2/18/2020

All students who are accepted at The Christ College of Nursing and Health Sciences are required to complete a health screening and provide documented immunity to specific diseases prior to starting classes as a condition of enrollment. All students must be current and compliant with each health requirement at all times throughout their enrollment with the College.

Drug and Alcohol Policies

Updated 4/22/2020

Please [click here to visit the Compliance Bridge Policy Portal](#) and search Drug and Alcohol Prevention and Policy.

Student Travel Policy

Updated on 1/19/16; 11/15/16; 12/11/17

The Christ College believes that College-sponsored off campus events involving student transportation and travel (“trips”) are a valuable part of a student’s learning experience.

Please [click here to visit the Compliance Bridge Policy Portal](#) and search Student Travel Policy.

Service Animal Policy

Updated 05/01/2020

It is the policy of The Christ College of Nursing and Health Sciences that service animals assisting individuals with disabilities are welcomed and generally permitted in all facilities and on all campuses with the exceptions described in our policy portal.

Please [click here to visit the Compliance Bridge Policy Portal](#) and search Service Animals on Campus.

Leave of Absence

Updated 01/11/2016, 3/19/2021

Leave of Absence (LOA) is defined as an approved absence from the College for a period not exceeding one year from the beginning of the last semester in which the student was enrolled. LOAs are granted for a medical or catastrophic reason.

(Notes: For leaves not exceeding one semester, please see the Non-Continuous Enrollment Policy. Leaves of Absence associated with active duty in the US Armed Forces are addressed by a separate policy—Military Leave of Absence.)

Please [click here to visit the Compliance Bridge Policy Portal](#) and search Leave of Absence.

Pregnant and Parenting Student Policy

Updated 03/19/2021

A student who foresees any educational issues related to a pregnancy or due to parenting responsibilities is strongly encouraged to notify the College as soon as possible. By doing so, the student and College personnel can collaborate and develop an appropriate plan for the continuation of the student's education in light of the unique nature of the College's nursing and health sciences programs and their clinical requirements. Pre-planning can also help with particular challenges a student may face while pregnant, when recovering from childbirth, or due to parenting obligations (e.g., missed classes, make-up work, etc.). Please note, however, that the choice to inform the College of a pregnancy is voluntary, and a student is not required to share this information with the College.

To support the College's commitment to student success, the College clarifies the options students have when anticipating educational issues related to a pregnancy or due to parenting responsibilities.

Please [click here to visit the Compliance Bridge Policy Portal](#) and search Pregnancy and Parenting Student Policy.

Policy Exceptions

The Dean/VP/President may grant policy exceptions based on unusual facts or circumstances. Exceptions must not violate federal, state or local laws or regulations, including governmental rules. In evaluating a request for an exception, the Dean/VP/President will meet the following standards:

If there is any question as to whether the exception may implicate federal, state or local laws or regulations, the President and General Counsel must be consulted before the exception is granted.

Should the facts and circumstances indicate a recurring issue, the Dean/VP/President should consider revising the policy.

Exceptions to the policies must be documented and maintained by the department making the decision. Policy exception documentation should be maintained for 5 years after the decision is made.
